Transportation Department Update & Transportation Services Plan Survey

March 11, 2026

LCAP Goals: LCAP 2025-2026

1. All students will receive a high quality education in a safe and welcoming environment with high expectations and rigorous instruction in the California State Standards that prepare them for college and career. All students will demonstrate growth meeting standards in English, English language development, and mathematics.

2. Highly qualified, culturally proficient, and responsive staff will create a safe and engaging learning environment respectful of all students' backgrounds ensuring they are college and career ready when they graduate. There will be an increase in the percentage of classrooms where standards-based instruction is being observed.

3. Families and community members will be informed, and empowered as partners with Mt. Diablo Unified to support student learning and improve student outcomes. There will be an increase in the percentage of families reporting that they feel they are an active partner with the school in educating their child.

4. Focal scholars, specifically African American students, Foster Youth, students experiencing homelessness, students with IEPs and multilingual students, will experience culturally responsive practices and be provided rigorous instruction within an educational environment that builds trust and inclusive partnerships between the students, families, and staff. All student groups will demonstrate growth meeting standards in English, English language development, and mathematics.

5. All students at Crossroads High School, Olympic High School and Glenbrook Academy will demonstrate a 6% increase in attendance rate and a 6% increase in on-pace graduation rate by June 2026, leading to an increase of 6% in graduation rates. All students at Glenbrook Academy will demonstrate a 3% increase in attendance rate and a 3% increase in on-pace graduation rate by June 2026.

Department Mission

Our Mission

Transportation Services is committed to meeting LCAP goals while providing safe, equitable, efficient, and cost-effective transportation with outstanding customer service for students, families, and schools, while fostering a respectful, inclusive work environment that supports continuous personal and professional growth.

Service Area

Driving over a million miles a year.

Fleet Size

109

Transportation Services Plan Survey Responses

Question #1 – Is there anything you believe we should consider in the area of Transportation?

- Home-to-School Transportation Service Requests
- Requests for Service Expansion to Specific School Sites
- General Inquiries Regarding Existing Transportation Services
- Transportation Eligibility and Minimum Distance Requirements
- Field Trip Transportation Costs and Pricing Concerns
- Student Ride Time and Route Efficiency Concerns
- Traffic Mitigation and Student Pedestrian Safety Requests
- Interest in Fee-Based or Optional Transportation Programs
- Student Conduct and Anti-Bullying Measures on School Buses

Transportation Services Plan Survey Responses

Question #2: Do you have any further questions or comments on this review that transportation should consider?

(Please note - this review is only regarding who we provide services for and how we provide them)

- Transportation Service Start Dates and Implementation Timelines
- Route Coverage Gaps and Extended Student Travel Times
- School Bus Climate Control and Student Comfort
- Transportation Program Costs and Fee Inquiries
- Eligibility Boundaries and Access Within Home School Zones
- Distance Measurement Methods for Transportation Eligibility
- Request for mileage reimbursement for families who cannot get transportation.
- Requests for Provided Transportation

Thank You
