

## Student Info: Medical – Immunizations

This submenu contains a variety of fields related to immunizations and health examination information. Information such as Immunization Code, Immunization Date, Dose Number, and Exempt Status may be recorded/displayed on this screen.

### Accessing Immunizations

From the student **Demographics** page:

1. Access the sub-menu section on the left side of the screen.
2. Select **Medical – Immunizations** to view the student's immunization records.

### Immunization Compliance

The Immunization Compliance section displays the current compliance status for the student and cannot be edited.

| Immunization Compliance |            |                                                                           |                                                                       |
|-------------------------|------------|---------------------------------------------------------------------------|-----------------------------------------------------------------------|
| Vaccine Type            | Compliance | Rule Description                                                          | Error Description                                                     |
| DTPaP/DTP               | No         | 4 DTPaP Doses, 4th on or after 4th birthday and on or before 7th birthday | DPT IMMUNIZATION IS INCOMPLETE. PERTUSSIS IMMUNIZATION IS INCOMPLETE. |
| O4 - Tdap [P]           | N/A        | Not required until 7th grade.                                             |                                                                       |
| Hepatitis B - 3 dose    | Yes        | 3 doses                                                                   |                                                                       |
| Hepatitis B - 2 doses   | Yes        | 2 doses                                                                   |                                                                       |
| HIB                     | Yes        | Not required.                                                             |                                                                       |

### Entering Health Examination Information

Refer to the student's School Physical Form.

1. Select the **Health Examination Status** based on the type of form submitted.
2. Enter the **Health Examination Date** using the date the form was signed.
3. Click **Save** before leaving the screen.

STATE OF FLORIDA  
School Entry Health Exam

To Parent/Guardian: Please complete and sign Part I - Child's Medical History. State law for school entry requires a health examination by a legally qualified professional. Additional requirements may be determined by local school districts.
