

Woodrow Wilson High School Student Enrollment, 2026-2027 Frequently Asked Questions

Do all students register every year?

Yes! All New and Returning students must complete an Online Registration each school year at <https://choosedallasisd.schoolmint.com/login>. The process is slightly different for New Students and Returning Dallas ISD students.

Are students transitioning to a campus within Dallas ISD classified as new or returning students?

Students transitioning between Dallas ISD schools are processed as **Returning** students. For example, a student exiting JL Long Middle School or Travis TAG, and enrolling in Woodrow Wilson High School, is considered Returning.

When do I register?

Right **NOW!** Follow the steps here:

- Go to: <https://choosedallasisd.schoolmint.com/login>
- For **New** to Dallas ISD students:
 - You will need to create an account first.
 - Then, choose “Add a Student.”
- For **Returning** Dallas ISD students, click “Add Forms” tab.
- Make sure to upload required documents (see more below).
- Repeat steps to register additional students.

What documents are required to be uploaded to obtain “Approved” status?

Document requirements differ by “student type.” Please refer to the table below:

New Student to Dallas ISD	Returning Student to Dallas ISD
<ul style="list-style-type: none"> - Birth certificate - Parent/Guardian picture ID - Proof of address - Social security card * - Immunizations - Most current report card or transcript ** 	<ul style="list-style-type: none"> - Parent/Guardian picture ID - Proof of address

* *Optional* ** *If applicable*

- Expert Note: In some cases, the website will let you submit your registration without a document that the campus registrar will need to see to “Approve” your registration, so please refer back to this list!

What qualifies as Proof of address?

Current Gas, Water, Electricity Bill, or Standard Printed Lease Agreement/Mortgage Statement in the parent or guardian name.

Please note that campuses *closed to transfers*, such as Woodrow Wilson High School, require Proof of address for Returning students.

How do you confirm your registration?

After you submit your registration online, please look for an automated email from Dallas ISD. On your dashboard at <https://choosedallasisd.schoolmint.com/login>, your application will show as “In Process” until a campus registrar reviews and approves it.

- Campus registrars begin reviewing submitted registrations in April, so please don’t wait to submit.
- Once your registration is approved, you will receive an email notification from Dallas ISD, and your dashboard status will update to “Approved.”
- Before approval, you may log back into your account to upload additional documents, even after submitting your registration.

What are In-Person "Registration Days"?

Once online registration is approved, the next step is attending your student's scheduled In-Person Registration Day in early August to get ready for the first day of school. On your scheduled day, students and parents will come to campus to:

- Verify your online registration is approved.
- Pick up your official class schedule.
- Retrieve your Chromebook/laptop.
- Take student ID photos.

Grade Level	Date	Time
12 th Grade	Monday, August 3	12:00PM – 4:00PM
11 th Grade	Tuesday, August 4	9:00AM – 12:30PM
10 th Grade	Wednesday, August 5	9:00AM – 12:30PM
9 th Grade	Thursday, August 6	12:00PM – 4:00PM
P-TECH	Friday, August 7	12:00PM – 4:00PM
All Grades	Saturday, August 8	9:00AM – 12:30PM

Why might there be long lines during Registration Day?

Families who complete online registration ahead of time - and see an “Approved” status - can go directly to schedule pick-up, student ID creation, device pick-up, and other activities during Registration Day.

If online registration is *not* completed or approved in advance, the first stop will be registration, before moving on to the other activities. To save time, we strongly encourage completing online registration before arriving on campus. The school will also offer support times ahead of Registration Day for families who need help with the process.

Where can I get more information?

Dallas ISD holds all student enrollment information on our central website: <https://www.dallasisd.org/parents-students/enroll/enrollment-information>
