--

What aspects of the Career Day were not interesting? Why? Be specific.

--

What did you learn about the guest speaker's company and its employees? Please explain.

--

How does the presenter use skills, such as reading and math in his/her career? How are Portrait of a Graduate competencies used as well.

--

What were the steps that the presenter took to get to his/her current career?

Would you consider a career in this field? Why or why not?

If you wanted to pursue this career option, what might you do to prepare in the next five years, both in high school and afterwards?
