Colonial interactions with native Americans

970.004 SMA

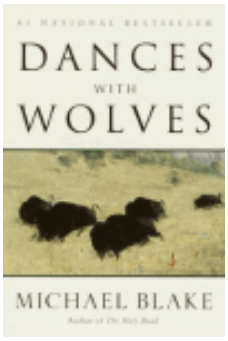

"European settlements in the colonies would never have survived without help from Native American tribes. As the European population grew, so did conflicts with the indigenous people who were being taxed, attacked, and pushed out by the newcomers. Readers hear from both sides in a relationship that rapidly went from good to bad."--Amazon.com.

Daily life of Native Americans from post-Columbian through nineteenth-century America

973.04 NAS

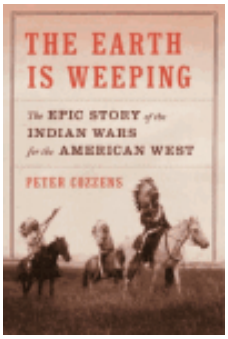

Presents ten narrative chapters, organized by geographical region that examines the real history of Native Americans from the post-Columbian period through the nineteenth century.

Dances with Wovles.

F Bla

When the drunken major ordered Lieutenant John Dunbar to an abandoned army post, the war-weary soldier suddenly found himself alone, beyond the edge of civilization, with only a wolf and some roving Comanches for company. Thievery and survival soon forced him into the Indian camp, where he began a danerous adventure that changed his life forever. Each day in the wilderness, Dunbar became more Indian, learning the ways of a proud and glorious people. But when his past came back to haunt him and he was faced with the greatest decision of his life, Dunbar discovered who the real savages where and where his loyalty lay.

The earth is weeping : the epic story of the Indian wars for the American West

978.02 COZ

"'The Earth is Weeping' is a sweeping, definitive history of the battles and negotiations that destroyed the Indian way of life even as they paved the way for the emergence of the United States we know today"--Dust jacket.

Explains what life is like for young people and adults on Indian reservations, covering such topics as sovereign governments, education, work, families, clubs, radio stations, religious beliefs and ceremonies, and cultural preservation.

The marrow thieves

F DIM

"The indigenous people of North America are being hunted and harvested for their bone marrow, which carries the key to recovering something the rest of the population has lost: the ability to dream. In this dark world, Frenchie and his companions struggle to survive as they make their way up north to the old lands. For now, survival means staying hidden... but what they don't know is that one of them holds the secret to defeating the marrow thieves"--Back cover.

Masters of Empire : Great Lakes Indians and the making of America

977.4 MCD

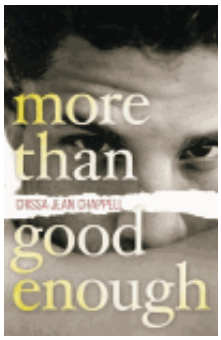

"A radical reinterpretation of early American history from a native point of view, centered on the Odawa tribe of Northern Michigan"--Provided by publisher.

The missing

F FLO

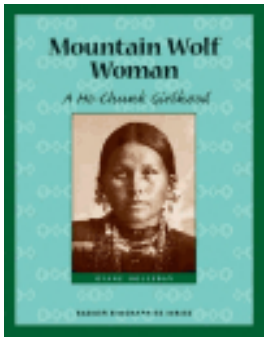

"After a girl she knows from school goes missing and is found dead in the Red River, Feather is shocked when the police write it off as a suicide. Then, it's Feather's best friend, Mia, who vanishes--but Mia's mom and abusive stepfather paint Mia as a frequent runaway, so the authorities won't investigate her disappearance either. Everyone knows that Native girls are disappearing and being killed, but no one is connecting the dots. When Feather's brother Kiowa is arrested under suspicion of Mia's abduction, Feather knows she has to clear his name. What Feather doesn't know is that the young serial killer who has taken Mia has become obsessed with Feather, and her investigation is leading her into terrible danger."--Back cover.

More than good enough

F CHA

"When seventeen-year-old Trent Osceola moves to the Rez to live with his father, a member of Florida's Miccosukee Tribe, he faces new questions about his identity and reconnects with his childhood friend Pippa"--Provided by publisher.
