Without mathematics,  
there's nothing you can do.

Everything around you  
is mathematics.

Everything around you  
is numbers.

-Shakuntala Devi

# WE NEED YOU!

You are an important part of your child's education. Here are some ways you can help.

- ⇒ Let your child cook with you
- ⇒ Draw solutions to everyday problems
- ⇒ Build with blocks, cubes, Legos
- ⇒ Play games like, "I'm thinking of a number"
- ⇒ Encourage your child to "stick with" a problem, even if it is difficult

Tell me, I'll forget  
Show me, I'll remember  
Involve me, I'll understand.

— Chinese Proverb
