

AP Environmental Science

Summer Assignment 2026-2027

Google Classroom Codes:

Period 2	gz57cn4n
Period 3	5sqjwrcm
Period 6	jsmfweth

Welcome to **AP Environmental Science!** Environmental science is **interdisciplinary**, embracing topics from geology, biology, environmental studies, chemistry, and geography. To facilitate the learning process, please complete the assignments in this packet. The assignments are designed to enhance your **environmental literacy** as well as introduce you to the topics you will study in APES. In addition, a section on review topics is provided.

Part 1 Digital ScrAPESbook of Current Events

Your digital ScrAPESbook is due the first week of school. Please upload your work to Google Classroom.

During the first week of school, you will be given a summative assessment analyzing sources of information about environmental issues (reading passages and questions).

Part 2: Problem-Solving, Chemistry, Earth Science Review, and Practice

The problem-solving, chemistry, and earth science sections are for your review. I will not check or collect your work. Please check your work using the key provided in Google Classroom. During the first week of school, you will be assessed on the Part 2 review.

Please join Google Classroom to view your assignment.

If you have any questions or concerns, please email me or leave a private comment in Google Classroom. Enjoy the summer! Ms. Lippi
