

Whatcom Community College / Bellingham Technical College

Course & Credit Equivalency Guide

This document is intended as a reference guide only. Students who plan to earn a Bellingham Public Schools diploma using community college courses for credit should work closely with their school counselor and Running Start advisor to ensure that each course and credit earned contributes to and satisfies Bellingham Public Schools graduation requirements.

CREDIT EQUIVALENCIES

BPS Credit	WCC/BTC Credit
.20 Credit	1.0 Credit
.40 Credit	2.0 Credit
.60 Credit	3.0 Credit
.80 Credit	4.0 Credit
1.0 Credit	5.0 Credit

NOTE: WIAA eligibility requirements state that a student must be enrolled as a full-time student. Please verify your credits with your counselor to ensure athletic eligibility.

Please note that courses numbered below the 100 level are not considered college-level and are not funded by the Running Start program. If you enroll in a course below the 100 level, the cost will be the student's responsibility and the course will not earn community college credit. Students are strongly encouraged to check with their Whatcom Community College counselor before enrolling in any course below the 100 level. In addition, students should confirm with the colleges or universities they plan to attend whether community college dual credit courses will transfer and be accepted for college credit.
