Elective Courses

It's time to start thinking about your classes for next school year!

This form gives you the chance to explore the elective options at O'Brien Middle School and let us know which classes you're most interested in.

Your rankings help guide scheduling, but **they do not guarantee placement in a specific class.**

Class placement depends on space available and the master schedule.

If classes are not ranked, **your counselor will place you in available electives with open space.**

Step 1: Rank Classes

- Look over the list of available electives
- 6th grade must pick a music class
- Rank the classes from favorite to least favorite
- #1= 1st choice, #2 = 2nd choice etc..

Step 2: Talk to your adult

- Show your parents/guardians the elective classes you are signing up for
- Parent signature is always appreciated but not required

Step 3: Turn in your form

- If you do not turn in a form your counselor will place you in the elective classes with open space

Important Things to Remember

- Ranking means order of preference
- Higher-ranked choices are tried first
- Students are enrolled in 2 elective classes each school year.
- Some electives are year-long, and some are semester-long.
- Semester-long classes last for half of the year and may be scheduled in the fall or spring semester.
- If classes are not ranked, **your counselor will place you in available electives with open space.**
- Advanced/approval based classes need teacher approval
 - Checking the box means you are interested but it does not guarantee placement.
 - You must still rank other electives

Take your time and rank honestly from favorite to least favorite.
