Hello Guys!

O'BRIEN LIONS

Hello Everyone!

Today you will be ranking the ELECTIVE class choices for 6th grade

Elective classes are fun classes kind of like specials in elementary school

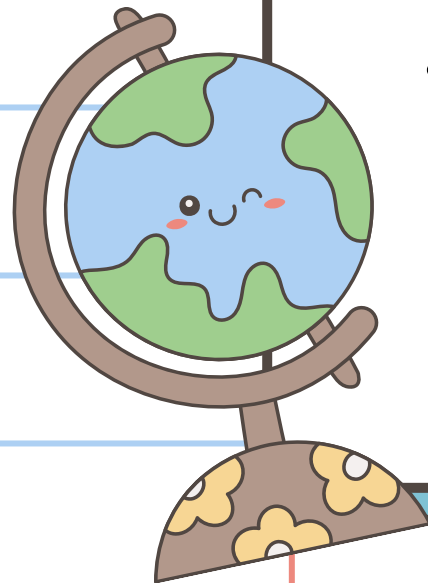

You have to pick a music class and rank the other classes

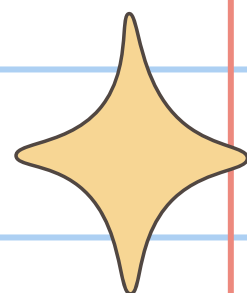

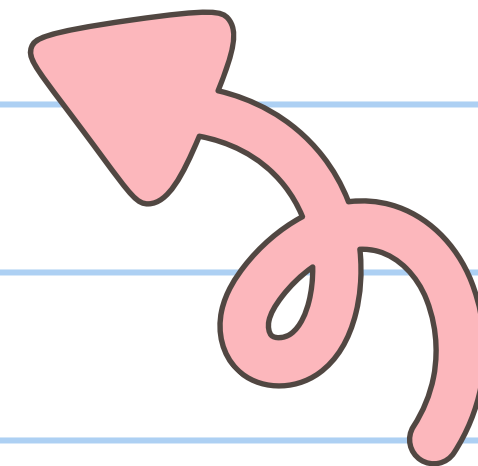

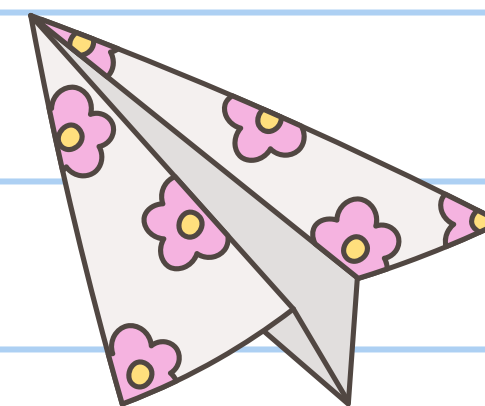

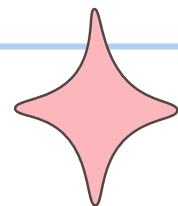

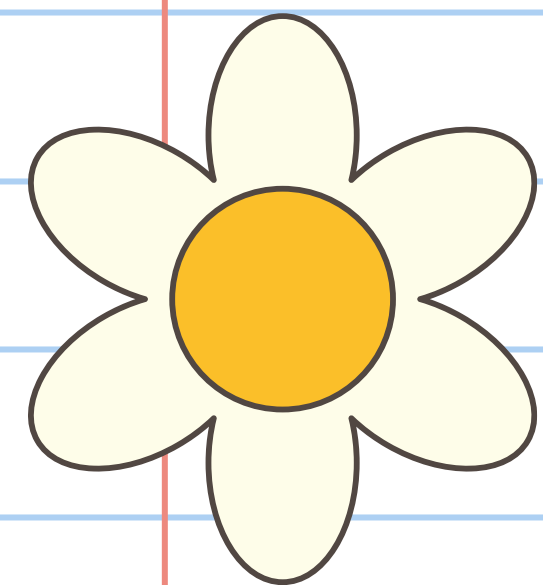

Pink Forms

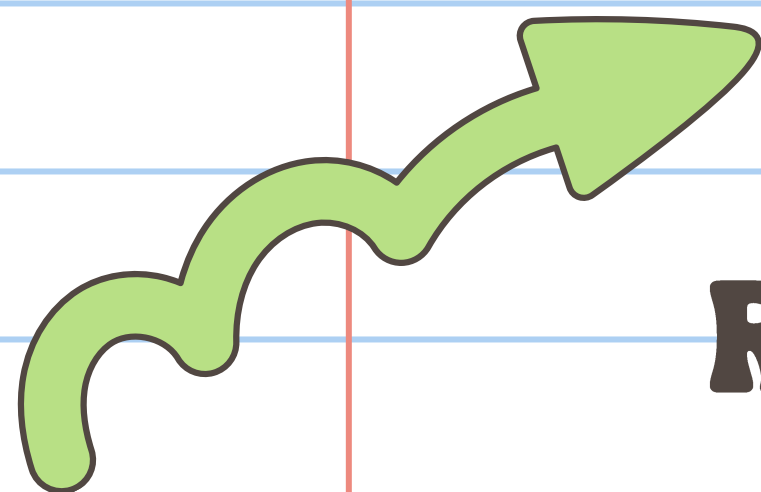

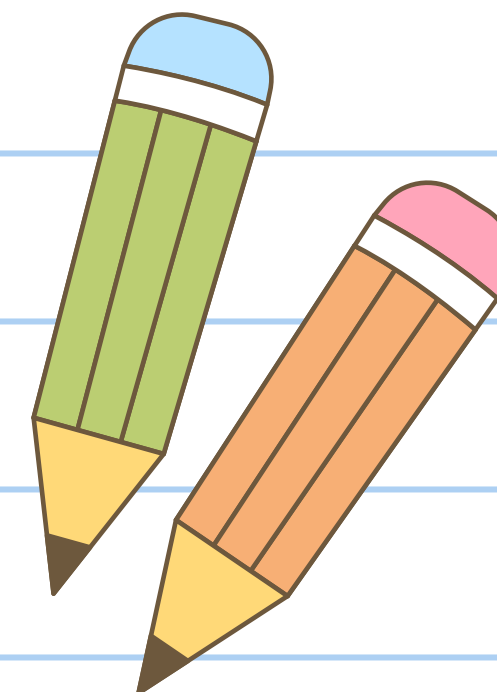

Due: 3/13

- Write your full legal name
- Fill out the form & share with your adults
- **BRING THE FORM BACK**
- If you do not return the form you will get the left over classes
- Parent/Adult signature is preferred but not required

Lets look at **MUSIC** **OPTIONS**

You must take a music class

Rank: 1st Choice, 2nd Choice, 3rd Choice

Band

In Band, you will:

- 🎵 Learn to play a woodwind or brass instrument (like flute, clarinet, trumpet, or trombone)
- 🎼 Practice reading music
- 🎤 Perform in school concerts

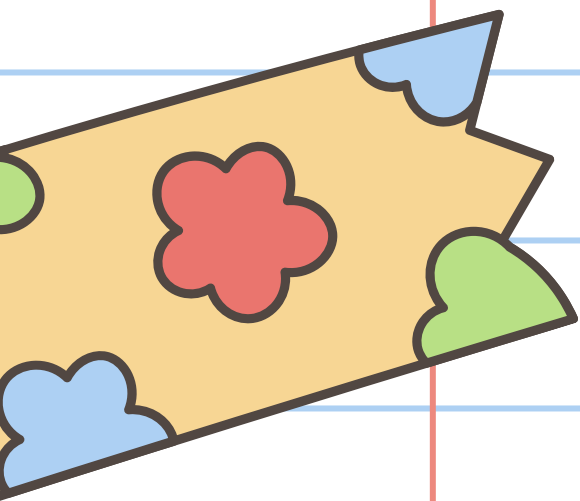

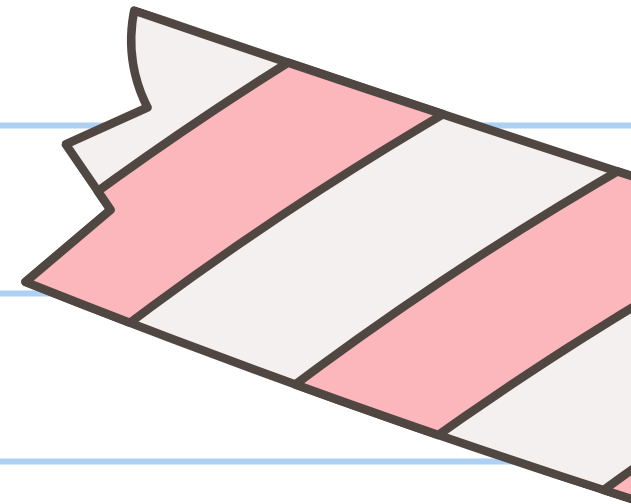

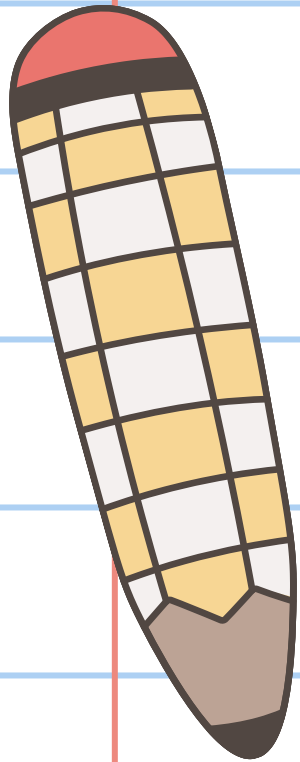

Interested in drums (percussion)?

All students start by learning a woodwind or brass instrument.

In December, students can audition for percussion. To be considered, you must:

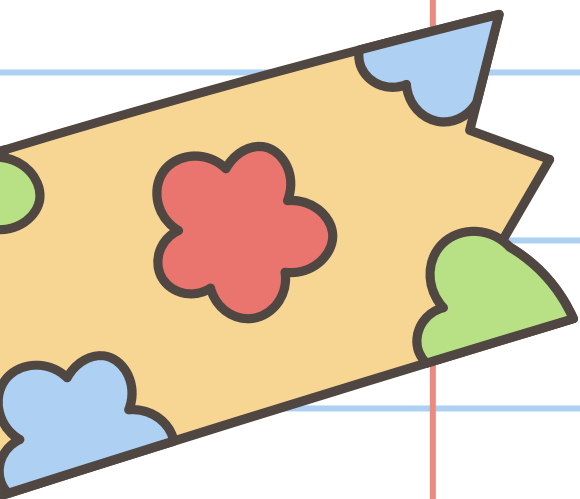

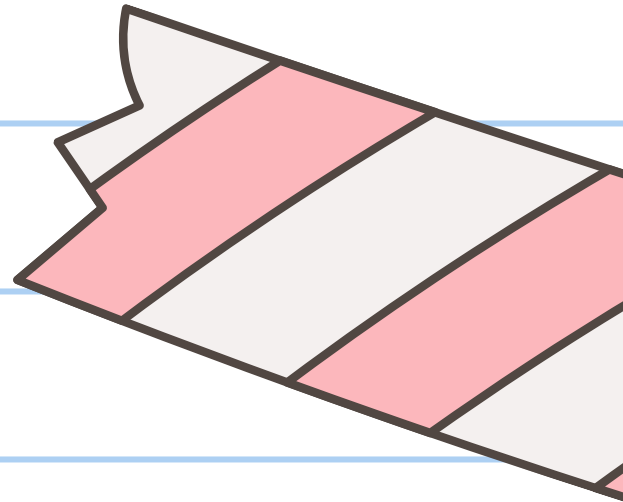

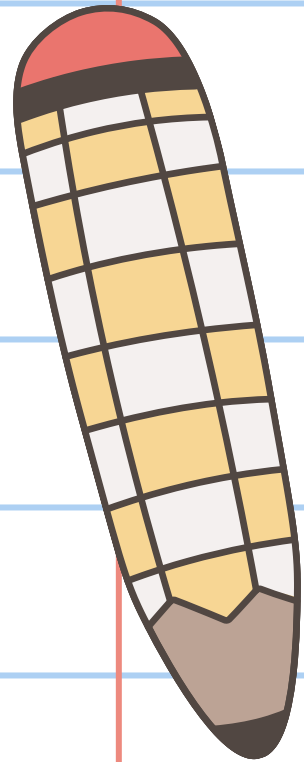

- Play your first instrument well
- Do well in the audition
- Show great behavior in band

Choir

Do you love to sing?
Or want to get better at it?
In Choir, you will:

- 🎵 Learn how to sing with confidence
- 🎵 Practice breathing and vocal techniques
- 🎵 Learn how to read music
- 🧡 Sing as part of a team (everyone's voice matters!)
- 🎤 Perform in school concerts

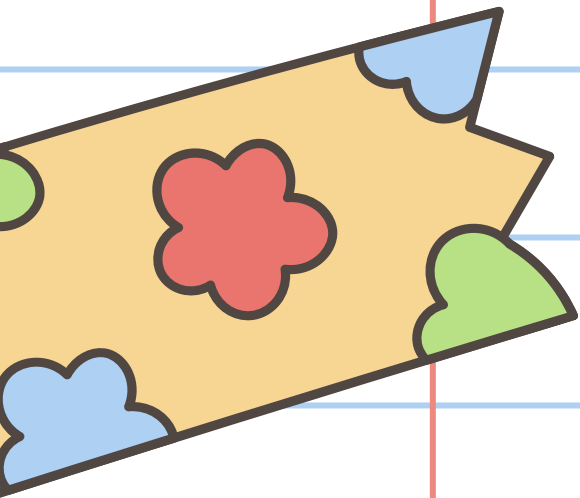

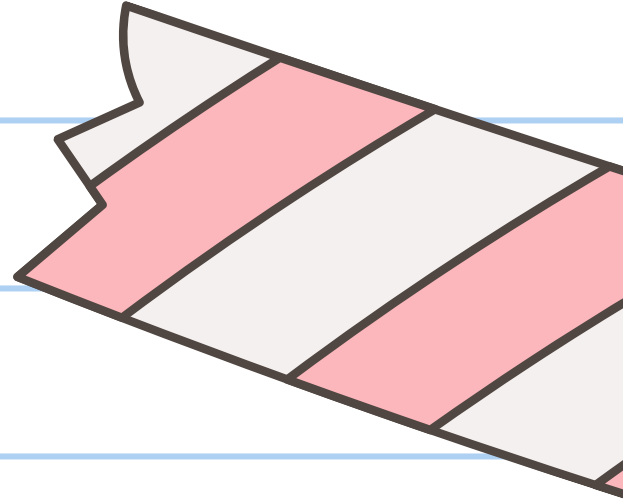

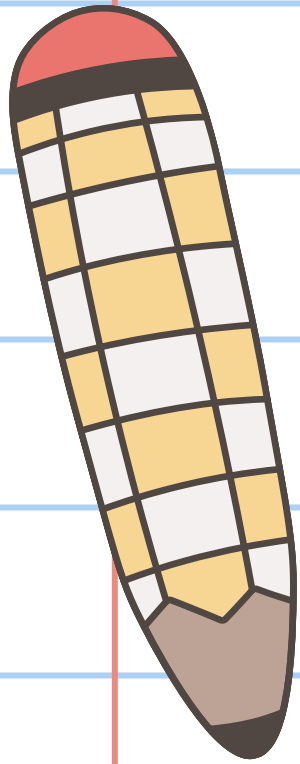

Orchestra

In Orchestra, you will:

- 🎵 Learn how to read music
- 🎻 Learn how to properly hold and play your instrument
- 🎼 Practice playing as part of a team
- 🎤 Perform in school concerts

You can choose to play: Violin, Viola, Cello, Double Bass

No experience needed — just effort, focus, and a willingness to learn something new!

Music Exploration

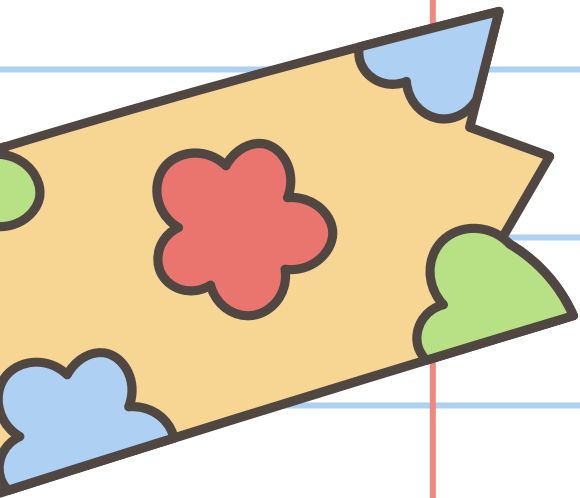

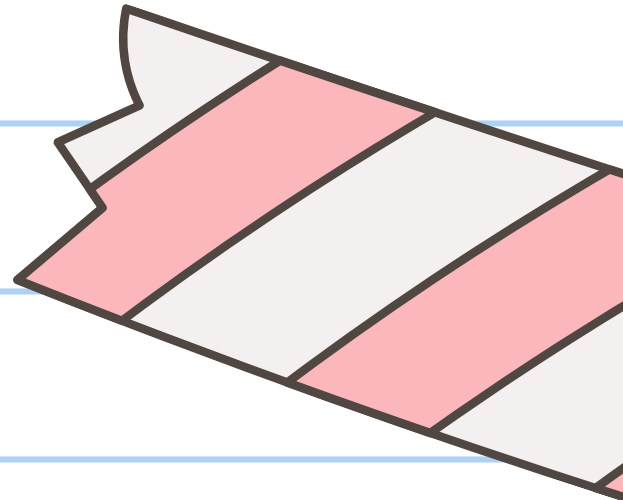

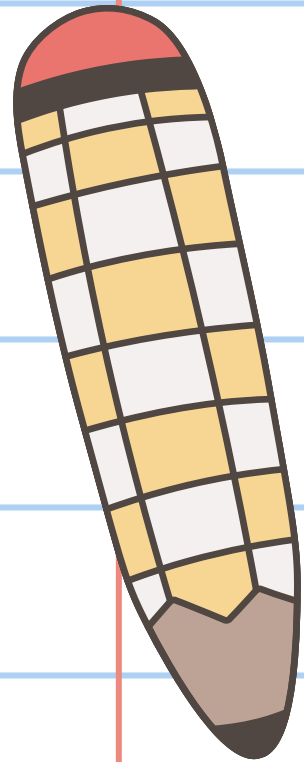

Curious about music but not sure which path to choose?
Music Exploration lets you try it all!
In this full-year class, you will:

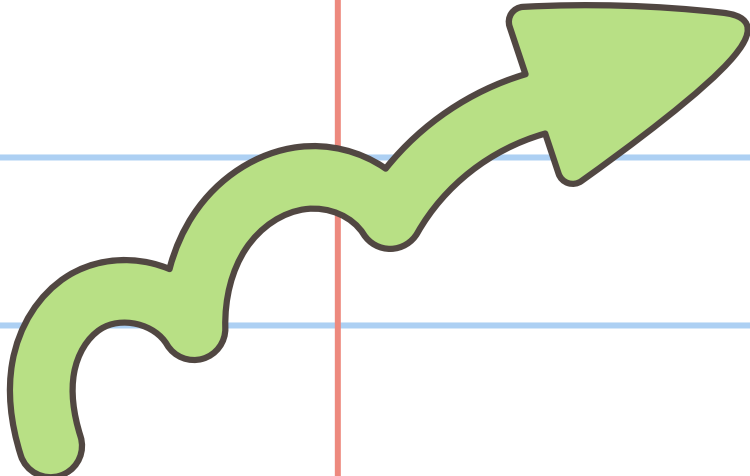

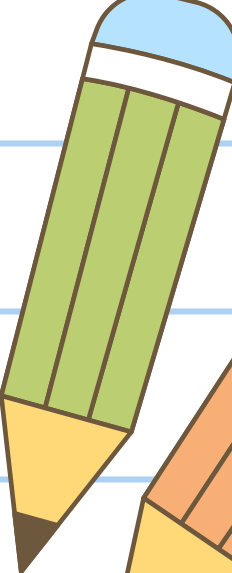

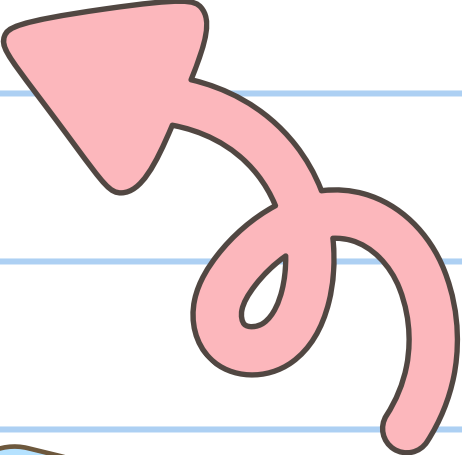

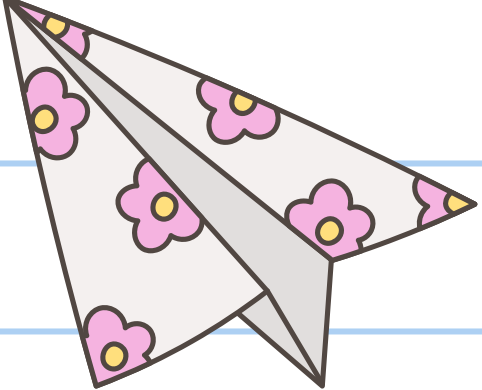

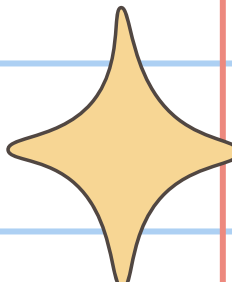

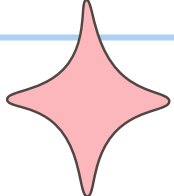

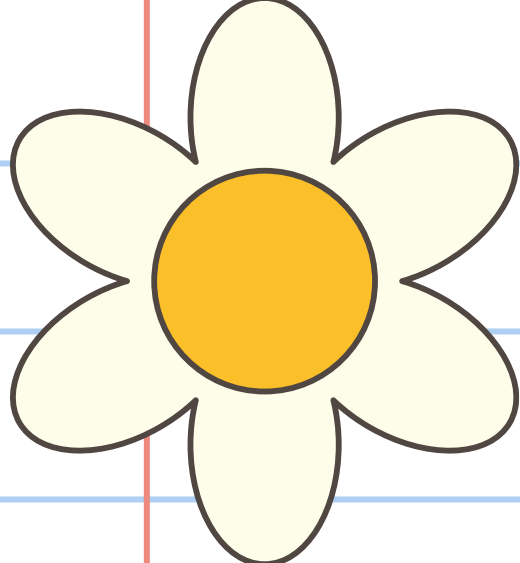

- 🎧 Explore how music is used in movies, social media, and games
- 🎤 Learn about music careers like performing, composing, and producing

This class is perfect if you:

- Want to try music in a hands-on way
- Like being creative
- Want to build confidence while learning something new

No experience needed — just bring your creativity!

Lets look at ELECTIVES
