COMET COMMENTS

End of Year Issue

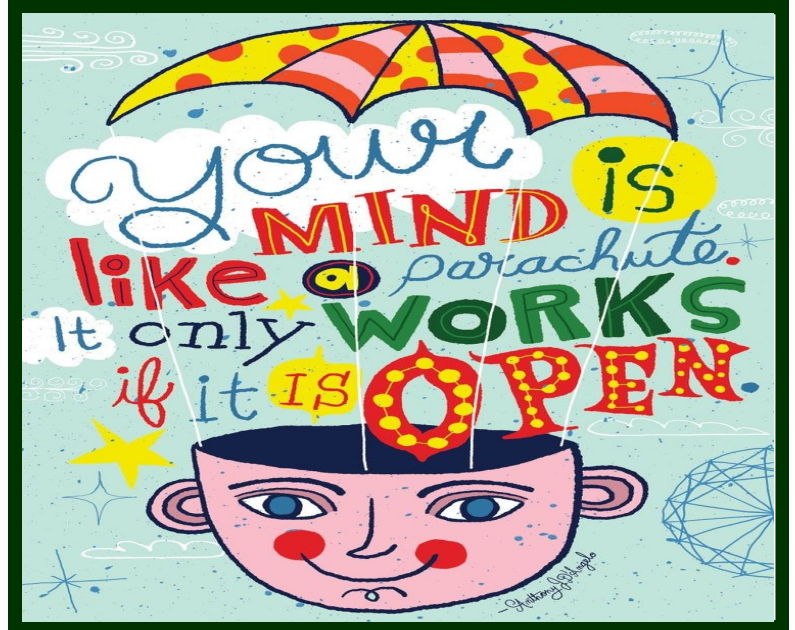

FROM THE DESK OF Principal
Michael Churchill

The end of the school year is always an opportunity to celebrate and share the accomplishments of the senior class! The hard work and determination of the senior class paid off with a number of scholarship opportunities, internships and awards distributed to students of the 2019 Senior Class! Our seniors will now embark on new journeys, reaching destinations that only they can navigate towards... We wish you the best, GO COMETS!

Currently, we are preparing for the 2019-20 School year! Although there are not many changes, we will continue to strive for success and introduce our RTI program 5 days a week. This will allow for a number of intervention and enhancement strategies to reach our students on a daily basis!

I would like to thank the students, parents and staff for a great school year! It is a privilege to work with all of you, I love my job, school and community thanks to all of you! Have a great summer and we will see you here for the start of the 2019-20 school year on September 3rd!

MISSION STATEMENT:

We will inspire all students to achieve at high levels and empower them for their future success.

CLASS OF 2019

End of Year 2019 Issue

On May 16, 2019, Coloma CNA & North County PHCA students participated in a Code 3 Major Incident Exercise at Spectrum, Lakeland Hospital, Watervliet. The simulated incident involved multiple trauma patients and triggered the hospital's Emergency Operations Plan.

Students participated in several ways. Some acted as trauma patients and were given scenario's and accompanying "injuries" thanks to the Moulage Team Members. Students also acted as healthcare team members and had the opportunity to demonstrate skills learned in class such as, taking vital signs, transporting patients and much more. Students were praised by the healthcare staff and observers on their professionalism and acting ability. We have been invited to participate in next years exercise.

Seniors worked hard during their last weeks in the Fine Arts program. Students were very excited to start the tradition of seniors leaving their artistic mark on the school in the form of an art tile. The location of the ceiling tiled determined the theme they were allowed to work within and only tiles of the upmost quality will be hung up and put on permanent display. The art program hopes to make this a annual tradition for graduating seniors taking Art.

The rest of the seniors got to sign the Senior Class of 2019 tile during their honorary breakfast last Friday. This tile was created by Savannah Perez, Dasha Hogan, and Arieana Braddock.

Art 2 students got to work this last week with Jack Grieve from North Berrien Historical Museum and Dan Brant from the Twin City Camera Club. The two gentlemen visited the high school art room to encourage students to participate in the North Berrien Photography contest and to give them tips to improve their photography skills. Last year they had zero participants for the youth division of their contest! After the visit; students learned how to use Photoshop to edit their photos and improve the image quality.

A check in the amount of \$220 has been presented to the Coloma Youth Baseball and Softball Association. This donation was made possible by "Car Wash for a Cause" sponsored by CHS freshman class. Special thanks to the North Berrien Fire Department for use their facilities and everyone that came out to have their car washed!
