Welcome back to school, parents!

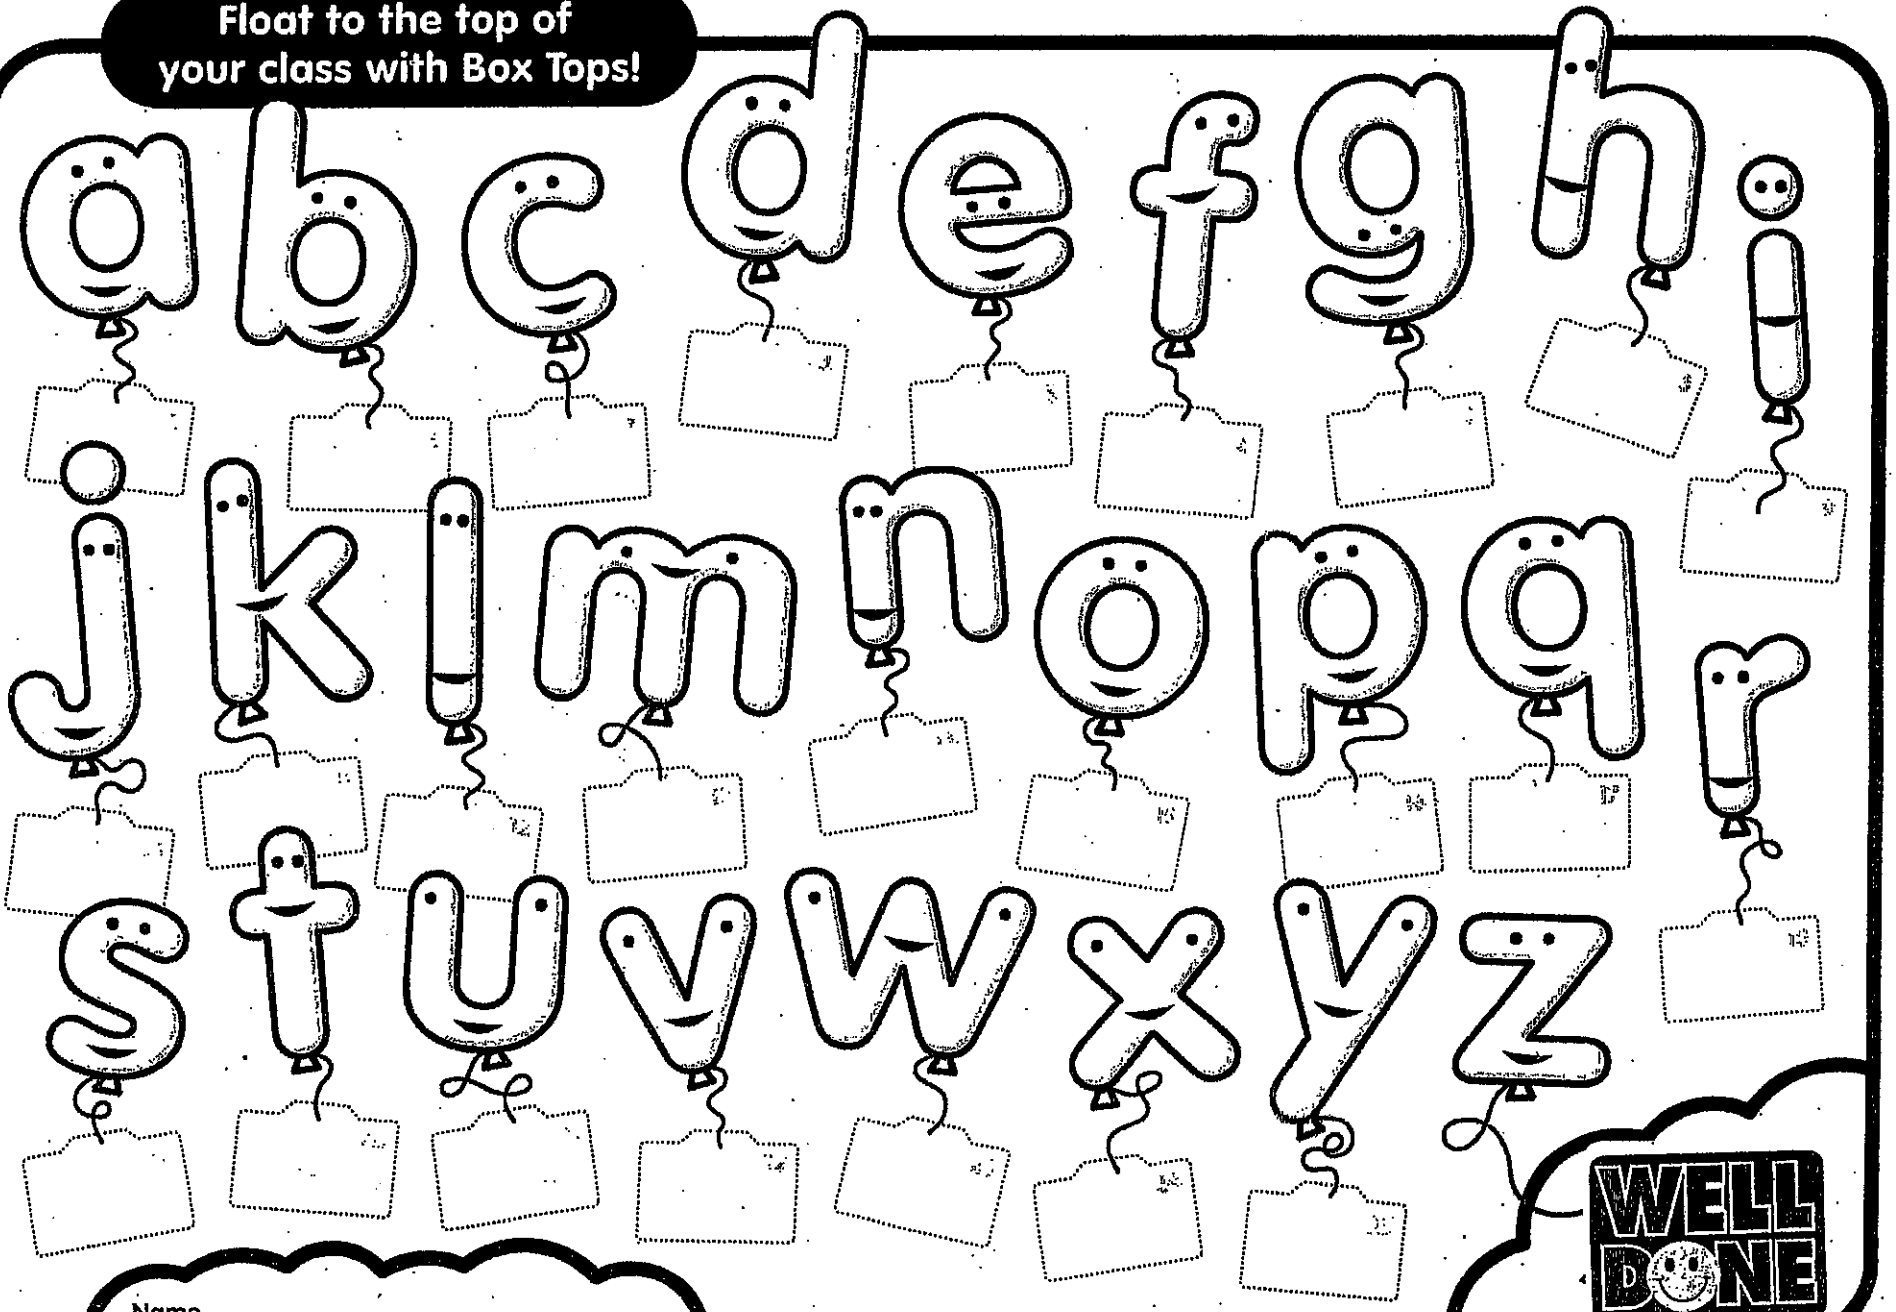

Welcome back! This year our school will continue participating in the Box Tops for Education program. My name is Miss Stacey Hubbell, first grade teacher, and I'm thrilled to be the Box Tops Coordinator for Coloma Elementary School. Clipping Box Tops is an easy way for you to help raise funds for our PTO. Box Tops are worth ten cents each and quickly add up to real cash for our school.

To help our school, just look for pink Box Tops/Bonus Box Tops on products, clip them and send them in to school. More information on the Box Tops for Education program, including a list of participating products and our school's progress is available at www.BTFE.com.

I hope you're excited for everything we can do this year with Box Tops! I'm happy to answer any questions that you may have through my e-mail shubbell@ccs.coloma.org or school phone (269) 468-2420. I'm here to make our school's Box Tops for Education program a huge success this year and appreciate your support.

Thanks for your help!

Float to the top of your class with Box Tops!

WELL DONE
