SENIOR PORTRAIT
Yearbook Information

OPTION ONE

Michael Barton Studios offers FREE portrait sittings to be taken at GBHS East Cafeteria during the summer. Please see school newsletter and yearbook social media outlets for dates, times, and scheduling.

This option ensures your senior photo will be published in the yearbook and guarantees a professional photo that will meet the yearbook requirements for background and quality.

Once your photos have been taken and professionally edited, you will receive an email with options to select your photo for the yearbook and/or purchase prints. You will need the session ID and access code given to you in the email you provided by the Michael Barton Studios to access your photos online.

CHOSE YOUR PHOTO BY OCTOBER 31ST, OR IT WILL BE CHOSEN FOR YOU. MICHAEL BARTON STUDIOS WILL SEND YOUR PHOTO TO JOSTENS TO ENSURE IT WILL APPEAR IN THE YEARBOOK.

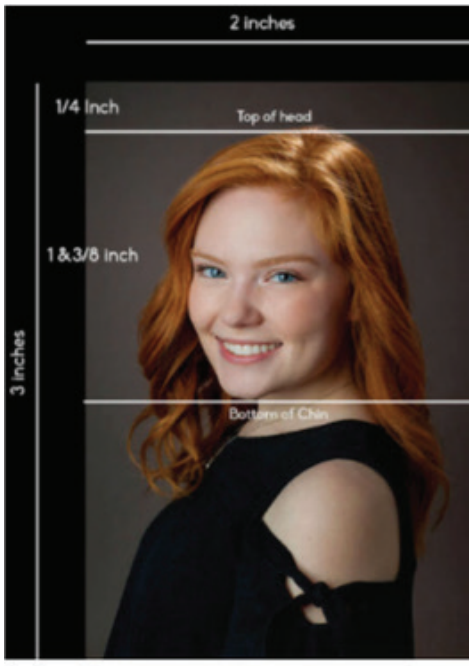

OPTION TWO

Provide your own portrait from a professional photographer. Do not attempt to take your own photo at home. Lighting and retouching make your portrait special, and of the highest print quality.

If you choose a photographer outside of Michael Barton Studios, it is your responsibility to provide them with this sheet. They must adhere to the specifications listed below and submit your chosen photograph by the strict deadline of October 31st via the website provided.

Submitting a portrait that does not meet the school's specifications or missing the deadline will result in the yearbook staff using the most recent ID photo on file for your portrait.

YOUR PHOTOGRAPHER MUST SUBMIT YOUR PHOTO BY OCTOBER 31ST TO JOSTENS VIA THIS WEBSITE: HTTPS://PHOTOS.JOSTENS.COM/9LJMXF
