Dear Parent or Guardian,

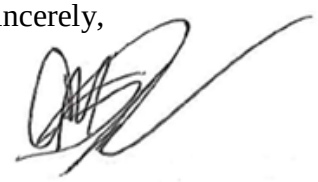

This spring, English Learner (EL) students in grades kindergarten through twelfth grade participated in the administration of the ACCESS for ELLs® 2.0 language proficiency test. ACCESS provides a standardized measurement of academic language proficiency for EL students throughout the state of Virginia, and in other states. With this information, Alexandria City Public Schools will be able to monitor individual EL student progress on an annual basis.

Attached you will find your child's results on ACCESS. This report provides information about your child's **English Language Proficiency Level**. This information is for you to review and keep.

A score report guide for parents can be downloaded from https://www.acps.k12.va.us/departments/accountability-research/testing-test-results/wida-access-for-ells
Translated student score reports are available upon request from your child's school.

If you have any questions regarding this test or the information that is being sent to you about how your child performed on this test, please contact your child's EL teacher or the school principal.

Sincerely,

Clinton Page, Ed.D., Chief of Accountability and Research
Department of Accountability and Research
