

Levels and Objectives

Swimmers must be able to perform all skills in a level before moving to the next level

Parent and Child Aquatics—6 months to 5 years

This class is for children with little or no experience. Flotation support is used at all times. Parents must wear bathing suits and children must wear swim diapers if needed.

Objectives: Water adjustment, swimming on front and back, blowing bubbles, rolling from front to back and vice versa, personal safety (life jackets/basic rules).

Level 1: Introduction to Water Skills—At least 4 years old

Objectives: Water entry and exit, breath control (eyes open underwater), front and back float, rolling from front to back and vice versa, personal water safety rules, help a swimmer in distress.

Level 2: Fundamental Aquatic Skills

Objectives: Water entry and exit, breath control and underwater swimming (bobbing, eyes open), prone float and glide, changing direction and position, treading water, swim on front and back, swim on side (legs only), personal water safety (life jackets), help a swimmer in distress.

Level 3: Stroke Development

Objectives: Water entry and exit, submerge and retrieve objects, bobbing underwater, rotary breathing, front glide and kick, changing direction and position, treading water, front crawl, back crawl, butterfly kick, general and personal water safety (safe diving, life jackets, HELP, huddle position), reaching assist, Check-Call-Care.

Central Islip

Learn to Swim Program

Level 4: Stroke Improvement

Objectives: Water entry and exit (dive from compact or stride position), swim underwater, feet-first surface dive, survival float, back float, open turns on front and back, treading water, front and back crawl stroke, breast stroke, butterfly, elementary back stroke, swim on side (scissors kick), rules for safe diving, compact jump for life jacket, throwing assist, care for conscience choking victim.

Level 5: Stroke Refinement

Objectives: Water entry and exit (shallow dive and stroke), swim underwater, tuck and pike surface dive, survival and back float, flip turn on front and back, treading water, front crawl stroke, back crawl stroke, breast stroke, butterfly, elementary back-stroke, sidestroke, survival swim, rescue breathing.

- *Reminder—Swimmers must be able to accomplish all tasks at a certain level in order to proceed to the next level.*
- *Nadadores deben poder lograr todas los objetivos en su nivel para proceder al proximo nivel.*
