

LoL Gator Community Supply List

Gamble Montessori Junior High | 2026-2027 School Year | First Day: Wednesday, August 19

Welcome to the Gator Swamp! We are excited to welcome your student into our community. The supplies below help students stay organized, ready for daily learning, and prepared for field experiences and projects throughout the year.

Quick Family Notes

- Please try to have supplies at school by Wednesday, August 19.
- 7th-grade families: if possible, please send community supplies with your student during Summer Bridge.
- No brand is required. Please label personal items with the student's name; shared items do not need labels.
- If getting supplies is difficult, please reach out to the LoL team. We want every Gator ready, not stressed.

Teacher Perishables - Shared Community Supplies

These are the items we use up fastest. They keep lessons moving when pencils vanish, tissues migrate, and dry erase markers become decorative plastic tubes. That's unfortunate.

- **Two** packages of 24-count #2 pencils, or one bulk pencil pack if your family is able
- **One** package of loose-leaf or filler notebook paper
- **Three** boxes of tissues
- **Two** rolls of paper towels
- **One to two** containers of disinfecting wipes
- **Two** bottles of hand sanitizer
- **One** pack of dry erase markers, dark colors preferred
- **One** pack of cap erasers or large pink erasers
- **One** pack of index cards or sticky notes
