6th Grade 2026-2027 Summer Reading

I hope you enjoy your summer! I look forward to seeing you for your sixth grade year. While there are no actual projects over the summer to complete, I am asking that you read, read, and read some more!

I would like you to read something by Roald Dahl. The book is your choice. He has many interesting books to read. He will be the topic of our first ELA unit when we return in August. Please DO NOT read *BOY*.

Another great read for the summer is called *Framed* by James Ponti. It is about kids your age and it is a mystery. If you are interested in this one, then get the sequel- *Trapped*. I thoroughly enjoyed reading it! I chose this book to keep with our second theme in sixth grade- Mysteries and Investigations.
*** Please practice your typing skills over the summer. We use Chromebooks for most activities in ELA. Typing with more than one finger will be very helpful as we work through our units. :)

See you in August!
