2026 SUMMER

## VH NEWS

### Spirit Wear Order Pick-Up

The Viking Experience Spirit Wear order is ready to be picked up in the office! Stop by from 7 AM to 3 PM Monday through Thursday until June 18th, to pick up your order.

### Medication Pick-up

Parents and guardians should plan to pick up all medications and emergency medical supplies from the school office. We do not send any meds home with students. Medication or Epi-pens not picked up by June 17 will be thrown away. The school will not store any medication in the office over the summer.

### Leaving Rochester?

If you are moving away or leaving RCS, please notify the school office as soon as possible at 248-726-4900. During the summer you may [email us](#). We would also appreciate if any 8th graders who will not attend Adams or the IA would notify the office so we can ensure your records are transferred to the proper school.

Students moving out of the district do not keep their district-issued Chromebook. Please have your student return their device, cover and charger to the administration building on the last day of school.

In order to preserve your data in your district Google account once you are unenrolled, it must be transferred to a personal Google account of your choice. [Show me how](#). You have until July 31 of the year you leave the district before your account is disabled and you will no longer be able to access your data.

ParentVue/StudentVue will also be disabled once the student is disenrolled. Please be sure to print or transfer report cards beforehand if you wish to keep them for your records.

- Time: 5:30 – 7:30 PM (all dates)

## 2026-2027 VH Cross Country

All 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> grade students can join the VH Cross Country team in the fall.

A physical dated 4/15/26 or later will be required for students to participate when the season officially begins on August 25, and more information about joining the team will be available during registration in August.

In the meantime, here is a link to information about optional summer practices led by VH runners:

2026 SUMMER

## VH NEWS

### Microelectronics + AI + Cybersecurity

### Middle and High School Students Camp

### Oakland University 2026

The camp is a comprehensive, activity-based summer program that provides hands-on, student-centered training in microelectronics, artificial intelligence, and cybersecurity for Michigan students in grades 6–12. No prior experience in microelectronics, AI, cybersecurity, or computing is required.

#### Program Goals:

- Increase microelectronics, cybersecurity and AI awareness among all students by offering immersive experiential activities.
- Generate interest among broader student population.
- Help all students understand correct and safe online behavior, follow cybersecurity and AI ethics, and be good digital citizens.

#### Curriculum:

Lifecycle of Microelectronics, Career Pathway and Opportunities, History of Microelectronics, Pioneers and Leaders, Terminology, Design, Fabrication and Application of Microelectronic Detectors (Cybersecurity, Eavesdropping, Intrusion Detection, Ethics), Microelectronics for AI, AI and Security in Microelectronics.

#### Application Link:

<https://forms.gle/JGmPbbMwTmUAnBmL6>

#### Camp Dates:

- Camp 1: July 27 – July 31, 2026
- Camp 2: August 3 – August 7, 2026

**Time:** 8:30 am – 5:00 pm

#### Acknowledgement:

The summer camps are sponsored by the NSF under grant numbers DGE-2146280 and DGE-2434784.

#### COST

**FREE** of charge

#### DEADLINE

July 15<sup>th</sup>, 2026 or  
spots are **filled up**
