Program Information

Our lab based programming means your children will have unique and fun activities daily.

- **Challenge Lab:** Fun and intellectually stimulating games that will activate students' brainpower and competitive instincts.
- **Art Enrichment Lab:** Hands-on activities that utilize a variety of mediums to challenge students to create in new ways.
- **Physical Lab:** A wide variety of physical challenges and games that will get students moving and playing.
- **STEM Lab:** Engaging and fun activities that foster student interest in Science, Technology, Engineering, and Math.
- **Reading Lab:** Group reading of age-appropriate books led by teachers.
- **Academic Lab:** Time devoted to supporting students in completing that day's school assignments.

“

What D11 Families Are Saying About Leading Edge

"My daughter absolutely loves her after school program! It's a chance for her to connect with her friends and be around other adults who care about and support her. This has been a major help for us this school year!"

"My children learn about many different things that they wouldn't necessarily learn about in school. They are big on respect and kindness to others."

"I appreciate having it as a resource for my child as a working mother! Affordability in an expensive world."

"Leading Edge is my child's favorite part of every day!"
