June 1, 2026

Dear Lyman Moore Families,

Can you believe we have officially reached June? The energy in our hallways is a mix of end-of-year excitement, a little bit of fatigue, and a whole lot of pride. Looking back at where our students started in September compared to where they are today, the growth—academic, social, and emotional—is staggering.

As we sprint down the final stretch of the 2025–2026 school year, our focus is twofold: finishing strong and celebrating our students. We still have plenty of teaching and learning to do, alongside some of our favorite annual traditions.
