

Q&A

GET TO KNOW FOOTHILL'S NEW HEAD OF SCHOOL! →

Q What excites you most about leading a school community?

It's not just about leading a school community, but leading *this* school community. Foothill is such a special place because of it's family-like culture, gospel centrality, academic excellence, and mission of living as disciples of Jesus who make disciples of Jesus. I want to see Foothill continue to thrive and faithfully fulfill that mission, bringing glory to God through my leadership that is guided by Him and rooted in His wisdom.

LINDSEY WILSON

Q What was your favorite subject in school and why?

I have always loved English because I love a well-told story, and there's so much to learn about life in a book!

Q What's one thing on your bucket list that you're determined to do someday?

Just one? See the Northern Lights, sip some matcha in Japan, catch a soccer game in England with my boys, make pasta in Italy, encourage as many missionaries as possible around the world and lead the most amazing school ever, of course!

Q What's your favorite way to spend a Saturday?

I love getting up early to read with a cup of coffee to start the day. After that, I love supporting my boys on their sports teams and you can never go wrong with ending the night with a shared pizookie!

Q What brings you the most joy in education?

What brings me the most joy in education is the countless moments that remind me how special childhood and learning are. It's seeing children jump out of their cars in the morning carline, eager to run to the playground and greet their friends. It's witnessing the "aha!" moment when a concept finally clicks, watching a student's face light up when a teacher encourages them, and hearing worship songs echo through the hallways from joyful classrooms. It's partnering with parents as we help children grow academically, socially, and spiritually. Every day is filled with moments like these. What's not to love?

Q If the students could only know one fun fact about you, what would you want it to be?

I can walk to school! Who knows, maybe you'll catch me riding my scooter one day!

Q What school tradition or event is your favorite?

I LOVE chapel and the Imago Dei ceremonies! What a gift it is to come together to worship God and celebrate how He has uniquely gifted each child. Both events remind us of our purpose and value and feel like little glimpses of heaven.

Q How do you stay encouraged during challenging seasons?

I believe staying encouraged in challenging seasons begins long before they arrive. Proverbs calls us to seek wisdom, pursue understanding, and "wait at wisdom's doors", emphasizing a life of faithful preparation rooted in Christ. When challenges arise, I draw from the trust that was already built up through God's Word, prayer, and fellowship with Him. My worship is never dependent on the season I'm in, but on where my gaze is fixed. When my eyes are on Christ, I can remain encouraged because He never changes.
