## TECHNOLOGY CORNER

SMS Text Opt-In

**SchoolMessenger**

**Parents and Guardians**

You can take advantage of our Text Messaging Service

Our school utilizes the SchoolMessenger system to deliver text messages, straight to your mobile phone with important information about events, school closings, safety alerts and more.

You can participate in this free service\* just by sending a text message of "Y" or "Yes" to our school's short code number: 67587.

You can also opt out of these messages at any time by simply replying to one of our messages with "Stop".

SchoolMessenger is compliant with the [Student Privacy Pledge](#) so you can rest assured that your information is safe and will never be given or sold to anyone.

Opt-In from your mobile now!

Just send "Y" or "Yes" to 67587.

\*Information on SMS text messaging and Short Codes: SMS stands for Short Message Service and is commonly referred to as a "text message". Most cell phones support this type of text messaging. Our notification provider, SchoolMessenger, uses a text SMS protocol developed by the telecommunications industry specifically for mass text messaging, referred to as "short code" texting. This method is fast, secure and highly reliable because it is strictly regulated by the wireless carriers and only allows access to approved providers.

If you've ever sent a text code for a TV show to a number like 66999, you have used short code texting.

\*Terms and Conditions: Message frequency varies. Standard message and data rates may apply. Reply HELP for help. Text STOP to cancel. Mobile carriers are not liable for delayed or undelivered messages. See [schoolmessenger.com](http://schoolmessenger.com) for more info.

LINEWORK MADE EASY

**App for Parents & Families**

Technology makes a direct impact on children, their families, and their learning environment. For children to learn and grow as digital citizens in our increasingly connected world, we must first bring out the foundations of online safety, digital literacy, and wellbeing.

Through our school district's partnership with Linevize, our online safety and wellbeing provider, we are able to extend visibility and safeguarding controls on to parents and guardians.

- Visibility on student activity and device insights
- Expert advice and guidance on digital trends and trends
- Secure coverage for in and out-of-school hours
- Pause button to regulate digital activity

Parents and guardians can also extend protection to personal devices with family-focused digital wellbeing features that adapt to different needs as their child grows.

- Filter and block feature for content and apps
- Location tracking and point button feature
- Visibility on browsing history, social media, and screen time
- Calls & messages tracking to monitor suspicious activity
- Time limits and screen-free schedules
- Tailored reports and alerts for inappropriate content
