

“REMEMBERING JESUS”
ADDENDUM #2
ROMANS 16:17,18; 1 TIMOTHY 4:1-16; 2 JOHN 8-11

INTRO: For the last three weeks we have been focusing on a **DOCTRINAL STUDY** entitled **“REMEMBERING JESUS.”** This is a very significant study in that there are many false religious views on **WHO JESUS IS** based on, **FALSE DOCTRINE**. Some of those views teach that Jesus is:

- A religious leader, but not God.
- A good moral person, but not Divine.
- One Who died on the cross but is not the eternal Son of God.
- A prophet who taught good things but is not the Savior of the world.
- One of many ways to get to heaven.
- A false prophet.

To understand **WHO JESUS IS PROPERLY FROM THE BIBLICAL PERSPECTIVE, WE MUST COMPREHEND AND SUBMIT OUR THINKING TO SOUND BIBLICAL DOCTRINE**. Unfortunately, there are many people who do not like the concept of **SOUND BIBLICAL DOCTRINE** and thus they not only have a false view of Jesus Christ but also have a wrong view of many other biblical truths as well. In fact, over the years, I have experienced people who 1) Do not want to hear messages on sound doctrine, 2) Do not have the desire to study sound doctrine, 3) Believe that sound doctrine is not necessary, 4) Will run from an emphasis on sound doctrine. **ILLUSTRATIONS:**

- Preacher who refused to preach messages on sound doctrine.
- People who left the church because of the emphasis on sound doctrine.
- Religious men’s movement that rejected sound doctrine.

BUT SOUND DOCTRINE IS A MAJOR THEME OF THE SCRIPTURE TO BE STUDIED AND UNDERSTOOD AND IS VERY RELEVANT TO WHO JESUS CHRIST IS AND HOW WE ARE TO APPROACH HIM.

FOUR SIGNIFICANT CONSIDERATIONS ON DOCTRINE

1) The General Definition of the word “Doctrine”

“A body or system of teachings relating to a particular subject.”

- It can be secular or spiritual.

2) The Biblical Definition of “Doctrine.”

“The Complete teaching of Biblical Truth concerning Who God Is, What God Expects, and How God Operates based on the Literal Interpretation of Scripture that gives to Every Word in Bible Study, the same normal meaning of every day usage unless the context of the Scripture indicates otherwise by the use of symbols.”

- Exodus 19:4
- Song of Solomon 2:2
- John 10:9

3) Sound Biblical Doctrine is to be the determining factor on personal, local church and ministry union or separation.

- Romans 16:17,18
- 2 Thessalonians 3:14,15
- 2 John 9-11

4) Sound Biblical Doctrine was a major theme of the Apostle Paul as seen in 1 Timothy 4:1-16.

- False Doctrine will Increase – Vs. 1
- Sound Doctrine is to be Taught – Vs.6
- Sound Doctrine is to be Attended to – Vs. 13
- Sound Doctrine is to be Continued – Vs. 16

With all of this in mind, let's return to our study on "REMEMBERING JESUS," a pure doctrinal study on Jesus Christ. IF WE ARE GOING TO UNDERSTAND, WORSHIP AND SERVE JESUS CHRIST PROPERLY, WE MUST HAVE AND SUBMIT TO SOUND BIBLICAL DOCTRINE REGARDING WHO HE IS.
