Students are welcome to read, study, research or write

USE THIS TIME TO STRENGTHEN YOUR ACADEMIC MUSCLES

I.E. YOUR BRAIN

All general classroom rules apply as stated in the student handbook. Please note the following guidelines for detention. If any of these are broken the student will be dismissed from detention and will not receive any time served for that day. Leaving detention earlier than the time determined to be needed will result in time served being rounded **down** to the nearest **half hour.** Example: Student leaves at 3:56, she/he will receive credit for ½ hour. Student leaves at 3:25, he/she will receive 0 credit.

- Cell phones will be placed **face down** in **clear view**
- No talking or interaction with other students
- No headphones
- No hats
- No video or computer games

Students should use the restroom and gather all needed materials prior to arriving to detention. Upon arrival, sit at a TABLE facing the front of the library (west). Place cell phone, books, and Chromebook if needed on table. Everything else goes on the floor next to his/her seat. Students will not be allowed to leave to talk to teachers, go to the restroom, go to lockers or run errands.

Students are responsible for tracking their own excessive absences and the make up time needed in detention. Make up time is updated in PowerSchool every Tuesday and Thursday. If a student is not sure how to find this information, he/she might ask for help from Mrs. Trail
