JULY 2026 COMMUNITY MEETINGS

Pinellas County Schools will host a series of community meetings across the district in July 2026. These community meetings will be facilitated by the Superintendent, Deputy Superintendent, or Chief Operations Officer and supported by district staff. During the meetings, current data specific to the schools in the geographic area will be presented, and community input on key topics will be gathered, including:

- Population trends and future enrollment projections
- School building utilization and facility planning
- School programming and innovative learning opportunities
- Partnerships, grade configurations, school consolidations, or property usage
