

# IRONDEQUOIT HIGH SCHOOL

## SUGGESTED STUDENT SUPPLY LIST 2026-2027

| ART                                                                                                                                                    |                                                                                                                                                                                                                                                                                                                             |
|--------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Drawing and Painting 1, 2, 3 & 4                                                                                                                       | Students need a pencil with an eraser. Most other supplies will be provided.                                                                                                                                                                                                                                                |
| Photo 1, 2, 3 & 4                                                                                                                                      | Students need <b>their own digital camera</b> for the "at home" work of the course (smartphones are <b>NOT</b> acceptable). Students will have access to D-SLR cameras for in-class work. Eighty-five digital cameras will be available for semester sign-out on the first day of class. Please also have a folder and pen. |
| Portfolio in Art                                                                                                                                       | Sketchbook, folder with 3 brads and pockets. All students will bring in (or show quality photos of) all original artwork created during high school. Students will meet with instructor to preview and set specific goals in order to create a portfolio for college admissions. Flashdrive recommended but not required.   |
| Sculpture and Mixed Media 1, 2 & 3                                                                                                                     | Beyond a writing utensil, most supplies will be provided.                                                                                                                                                                                                                                                                   |
| Studio in Fine Arts                                                                                                                                    | Beyond a writing utensil, most supplies will be provided.                                                                                                                                                                                                                                                                   |
| Studio in Graphic Design 1 & 2                                                                                                                         | Students should have a folder to keep technology handouts organized. All other supplies (Adobe programs) will be downloaded the first week of class.                                                                                                                                                                        |
| BUSINESS EDUCATION                                                                                                                                     |                                                                                                                                                                                                                                                                                                                             |

| <i>Graphing calculators are strongly recommended for several math courses. Families for whom this may be a financial hardship, are reminded that graphing calculators are available in the Library for loan, and in math classrooms for in-class use.</i> |                                                                                                                                                                                                                                            |
