Dear Families,

Please take note of the School's policy on the transportation of students to and from athletic events held off-campus. For off-campus events that finish after school, parents may request permission for a student's dismissal from the location of the event rather than from School. Such requests must be made in advance to the student's coach, in writing or by using the attached permission form.

Transportation of Students from Off-Campus Athletic Contests or Practices

Students/Athletes will be transported to and away from all athletic contests or practices by school-authorized vehicles only. Under certain circumstances or exceptional situations where it creates an inconvenience to the family, students may be excused from riding back to School from an athletic event on school-authorized transportation. In such cases, the request must be made in writing and in advance to the student/athlete's coach.

Thank you for your cooperation.

Sincerely,

Raymond Voelkel
