EOY testing - Technical difficulties but seeing it as a positive to show our students that we can overcome obstacles in a calm manner. Finishing testing today so students can participate in fun end of year activities next week. All NP students have been offered an opportunity to **retest**. No students scoring 3,4,5 have opted in for a **retake**.

Explained School Report Card Grade. 80% proficiency and 20% growth. Anything above 85 is an A. Currently our Proficiency is over 87% but growth is very difficult to calculate...it's done at the state level. -2 to +2 is considered meeting growth. Anything over +2 is exceeding growth. The multiplier for growth increases as the growth increases.

New SIT Chair-Katy Wind - Welcome!

New Members - Marleny Novaes and Carl Flemming

Title IX - We continue to talk to students about being appropriate.

V. Parent Business - Question from Matt - What's the latest on the building? Becky goes on Tuesday for punch list items and look at warranty information. We are still on target for August 3. Tree planting started, but then it had to stop due to the water restrictions. The rest of the trees will be planted in October. Trying to figure out the fish.

Question from Ashley - What specials will we have and will they all have a room? Chess will not have a room, but the staff members will have a space.

Question from Matt - Traffic Pattern? Left on Reese, going down and turning right on Haven and right into parking lot. Right turn on Hillside only.

VI. PTA Update - Jessica Mager - Senior Sundaes today with graduating dragons. Yearbooks were delivered yesterday. Spirit wear was delivered yesterday. SPARK kick off on Monday.
