Portrait of a Hornet Presentations:

Mia Thompson – 5th grade
Emryn Fultz – 8th grade
Jackson Devore – 12th grade

Josh Hurt – Thank you to each student. Thank you to the sponsors and mentors who are here tonight: Rachel Dial, Autumn Shirley, Kayla Eaton, and Lesley London.

3) Superintendent and Director Reports

Superintendent Josh Hurt

- Thank you to everyone who made Teacher Appreciation Week a success. We had lots of special treats for all of our staff. It was also School Communicators Day and School Nurse Day on Wednesday. We are thankful for these folks as well.
- Cleary Construction had a signing day for students. Two of our high school students signed.
- KSA testing was last week. We had a high attendance rate, which was great.
- Very impressed with the 21st Century performance of Shrek Jr. The Musical. Our student talent was phenomenal.

- Action Item 5B is a second read for an update to our holidays and sick leave policy, which takes effect July 1 if approved.
- Action item 5C will allow us to take bids for diesel, oil, tires, and spare bus parts.
- Action item 5M will allow the district to purchase two school buses for the 26-27 school year at 25-26 prices. One bus is a regular, full-size bus. The other is a smaller special-needs bus.
- Action item 5L will allow the Cumberland Family Medical to provide additional services through their contract.
- Action item 5H is the 26-27 district salary schedule. This may be postponed to June.
- Action item 5D will allow the district to continue working with Joe Montgomery for our annual audit.

Matt Shirley – Facilities

- Appreciate the board allowing Robby Parnell to serve on the facilities planning committee.
- RBS Design and a group of engineers visited the district over spring break to look at and take notes on potential future needs, including any mechanical work, roofing, and HVAC work. We are waiting on this report from RBS Design to schedule a meeting. We have until June 27 to complete the work.

Josh Hurt – Congratulations to Matt Shirley on a very successful tennis season. Good luck to Lucas Macedo, who is competing in the state tennis tournament on May 20.

Jamie Moss – Exceptional Ed

- No comments.

Allen Trotter – DPP

- Action item 5E is the amended school calendar, which is adjusted to reflect our time for NTI and snow days this past year. This must be done in order to submit our calendar to the state for next year.
- Action item 5I is the district's professional development plan. Thanks to Rachel Dial for helping to compile this information, which will be included in the CDIP.
- KEMI, the district's workers' compensation insurance provider, held a safety walkthrough at the elementary school today. Everything looked good.
- Cumberland Family Medical has sent an addendum to their contract, which allows them to provide additional services. This is action item 5I. The mental health services portion of the contract may look a little different if approved, but there is no additional cost to the district.
- Our nurses were recognized during School Nurse Day last week.
- Attendance is in the 90s districtwide.

Daniel Glass – We have talked about making Good Friday a day off for students and staff next year. Can we look at that more closely?

Allen Trotter – Yes, we will look at the calendar, and if it works out, present an amended calendar for approval at the next board meeting.

Stacey Slinker – HR

- Action item 5B, the second read of the policy update for holidays and sick leave, would take effect July 1 if approved tonight. This is for employees on a 205-day-or-more work schedule. Employees would have the same total number of days off, but two sick days would become two floating holidays. New legislation dictates that only 13 days can be carried over from year to year, without the district potentially incurring extra costs.

Micah Fields – LifeWise

- The first year of LifeWise moral instruction ended on May 1, with 153 students enrolled and 163 served this year. All 5th-grade enrollees received a free Bible.
- LifeWise joined in the celebrations for School Bus Driver Appreciation Day and Teacher Appreciation Week.
- There are many summer activities planned to keep kids connected, including movies in Glasgow.
- Event next Wednesday at Trinity Christian Outreach at 6:30.
- LifeWise will be available for students in grades 1 through 8 next year.

Josh Hurt – The first year for LifeWise was a tremendous success—a big thanks to Micah Fields and staff for their hard work and dedication.

Jamie Howard – MCES

- KSA state testing started last week and is continuing this week.
- I-Ready testing for our primary grades is going on this week.
- We celebrated our staff every day last week for Teacher Appreciation Week.
- Ring the Bell for Literacy was held at the historic courthouse, with all of our new readers ringing the courthouse bell and signing their names in the library's book of new readers.
- Preschool Graduation is at 10am this coming Friday in the Old School Gym.
- Ceremonies will be held on May 21 for kindergarten at 8am and 5th grade at 11am.
- Congratulations to Will Spalding for competing in the Mammoth Cave Area 4-H Communications Contest. He was the Reserve Champion for 9-year-olds in Jr. National Resources Demonstration and placed 3rd for 9-year-olds in Speech. He advances to the state competition in July.

Joseph Eaton – MCHS

- Mrs. Tiffany Riggins-Blakley was honored as Educator of the Year at the Senior Celebrity Banquet. Congrats to all our seniors recognized by the Chamber of Commerce.
- Aidan Mahaney placed 2nd in Scratch Coding at the State STLP Championships.
- Jayden Damron and Bri Matheson ran MCHS's first-ever unified race at a track meet.
- FCCLA visited the Metcalfe Health Care Center to help out with an activity for the residents.
- Brandi Ethridge has been named the new assistant principal at MCHS. She'll be replacing Paige Crowe, who is now the new principal at MCES.
- Rory Bragg gained her 100th career strikeout as an 8th grader playing varsity softball.
- Helping Hornets visited the Center for Courageous Kids and helped prepare for the summer programs and clean facilities.
- Shayla Garmon signed to be a member of the WKU Marching Band in the fall.
- Helping Hornets cooked burgers and hot dogs for first responders to show them appreciation for all that they do for our community.
- Several Hornet football players placed in the Johnathan Witty Memorial Lift at Monroe County.
- Brandon Combs was announced as the new head boys basketball coach at MCHS.
- FFA hosted Farm Safety Day on May 1 and had several local businesses come and discuss agriculture and safety-related topics.
- Addison Morgan is signing to cheer at Eastern Kentucky University next school year.

- Teacher Appreciation Week was last week. We hope that our teachers felt appreciated last week, but more importantly, we hope they feel that all year.
- KSA testing has been successful this year with a small number of students requiring make-up testing. Attendance was good on all testing days.
- Metcalfe County Bands performed “May the Fourth be with You” spring concert, which was a success. We’re looking to do the spring concert for the student body next year.
- The FFA Banquet was held recently and had a great turnout.
- Lucas Macedo, Lily Horton, and Amelia Slinker competed strongly at the 4th Region Tennis Tournament, with Lucas earning a bid to the state tournament on May 20.
- Jessica Sanders received the Daughters of the American Revolution Good Citizen award.
- The Spring Football Game was last Thursday. It was great seeing the Hornets in action again.
- Senior Night for Baseball and Softball were both held last night. We appreciate the time and effort that students have put into both programs and wish them success in their future endeavors.
- The Clearly Construction Hard Hat Signing was yesterday, with Bobby Young and Brayden Westmoreland signing from Metcalfe County High School.
- Ayden Harrison has signed to play baseball at Berea.
- Next week:
 - Baccalaureate is on May 17 at 6:30 at the Edmonton Worship Center
 - Senior Breakfast is on May 18 at 8:00 at the MCHS gym
 - 8th Grade Move Up Day is on May 19
 - Senior Awards Night is on May 19 at 6:00 at the MCHS gym
 - Underclassmen Awards Day is on May 20 at 12:30
 - Graduation is on May 21 at 7:00 in the MCHS gym

Britt Young – Transportation

- We celebrated School Bus Driver Appreciation Day. The district runs 23 routes totaling 1,400 miles, transporting 900 kids every day. Thank you to our regular drivers and sub drivers.
- Action item 5C is a notice to allow us to take bids for fuel/oil and tires/spare parts.
- Action item 5M will allow us to purchase a regular, full-size school bus with 66 passengers and a smaller, special needs school bus (comes with extra seats if no wheelchairs are needed) at this year’s prices. They will be delivered by December. The small needs bus will have air conditioning.
- The state is requiring all van drivers to take part in new trainings.

Kelly Bell – Can the full-size, 66-passenger bus have air conditioning, too?

Britt Young – It would cost several thousand dollars extra to add air conditioning to any school bus, but it is possible. I will check to see if they can add it to this new bus.

Kelly Bell – In the future, we would like to see quotes for all new school buses with air conditioning included in the pricing.

Rachel Dial – Instruction

- KSA testing is underway. The building assessment coordinators have kept everything running smoothly.
- Action item 5I is districtwide professional development. She has met with principals and taken teacher feedback from the Studer Education survey into consideration in drafting the plan. PD has been individualized, as teachers have requested more flexibility in choice. Some of the PD is offered free through GRREC; other funding comes from Title I.

- Action item 5K has to do with the certified evaluation appeals committee. The board needs to select one member and one alternate. Tonight's action would approve Matt Reed as the member and Kim Compton as the alternate. This does not affect the classified evaluation appeals committee.

Jenny Stotts – MCMS

- KSA testing is underway, with one more day of testing tomorrow for the 8th grade. There have been very few absences during testing.
- Last month, the 7th, 8th, and 9th graders took a KSA field trip to Jump Zone and Greenwood Mall in Bowling Green. Students who scored a proficient or higher last spring were eligible to attend.
- After taking the i-Ready tests last month, students who scored on grade level or met their stretch growth were awarded by having a water fun day with water slides, balloons, and dodgeball.
- 21st Century students wrapped up their play, Shrek Jr. The Musical last month. The cast did an incredible job on the play. Much appreciation to Sondra Jennings and Lindsey Jessie for all of their hard work.
- MCMS celebrated Teacher Appreciation Week by having catered lunches and staff gifts.
- MCMS will have its awards ceremonies on Thursday, May 21.
 - 8th grade will be at 9:30
 - 7th grade will be at 12:30
 - 6th grade will be at 1:45
- Thanks to Beth Miller and cafeteria staff for cooking today's ribeye lunches.

Autumn Shirley – Gifted

- MCES had two winners in the 2026 Kentucky Department of Agriculture Ag Education and Outreach Poster and Essay Contest. Cason Shaw, 1st grade, and Reagan Morgan, 2nd grade, submitted statewide winning essays and will be recognized at an awards ceremony.
- MCHS sophomore Leah Kerr has been accepted to WKU's VAMPY summer camp for gifted and talented students. This is being paid through scholarships from programs at WKU and the Metcalfe County Educational Foundation.

Torrie Osbon – PR/Grants

- We should find out before our next board meeting whether or not we have received the KDE Math Coaching Grant for our middle school.
- Very busy providing positive PR for all of the end-of-year activities.

Daniel Glass – Congratulations to MCHS junior Elyda Hicks, who won the 2026 Congressional Art Competition for Kentucky's 1st Congressional District. Her drawing, titled "The Great Comforter," will be on display at the U.S. Capitol in Washington. This is the second time she has won this honor.
