

APPLICATION INFORMATION
27th Annual
Nevada Math & Technology Camp
University of Nevada, Reno (UNR) campus
July 12-17, 2026

Director: Dr. Lynda R. Wiest, Professor of Education, UNR

Assistant Director: Dr. Heather Crawford-Ferre, Education Programs Professional, Nevada Dept. of Ed.

Invited participants: Nevada students who will enter seventh or eighth grade in fall 2026; appropriate to students of all abilities and backgrounds

Camper selection: Approximately 50 campers will be selected randomly from those who meet the application deadline. For the older camper group, first priority will go to return campers, second to previous applicants who did not attend the camp, and third to new applicants.

Location: University of Nevada, Reno campus. Instructional activities will take place in the College of Education and Human Development. Campers will stay in campus residence halls and eat meals in the campus cafeteria.

Time frame: Sun., July 12 at 5:00 p.m. (dorm check-in begins at 3:00 p.m., camp registration 4:30-5:00) to Fri., July 17 at 3:15 p.m.

Instructors: 3 instructors (2 classroom, 1 computer lab) and 2 instructional assistants per group of 25 campers

Instructional topics: geometry/spatial skills; problem solving/reasoning; computer/calculator use; data analysis and probability (younger group only); early algebra (older group only)

Instructional philosophy/approach: Campers will learn new material and explore familiar topics in greater depth through meaning-oriented, collaborative approaches.

Other information: Campers will be supervised at all times. Parents are invited to attend some initial and final activities but may visit the camp at any time. Most recent major funding sources for this program: Nevada Gold Mines and The Charles H. Stout Foundation.

Cost: \$600 per camper. Includes tuition, housing, meals and snacks, group recreation, camp t-shirt, math souvenir, and other associated costs. **Scholarships are available to those with demonstrated financial need by documentation of free or reduced-price school lunch status.** Any camper might contact her school for available scholarship funds or local businesses for possible sponsorship.

Application deadline: The form on the back must be **received by Friday, April 17, 2026.**

Program website: <https://www.unr.edu/education/centers-and-student-resources/initiatives/northern-nevada-math-technology-program>

Questions: Contact program staff at 775-682-7849 or unrmathcamp@gmail.com.

APPLICATION FORM
27th Annual
Nevada Math & Technology Camp
University of Nevada, Reno (UNR) campus
July 12-17, 2026

*****Please read the “Application Information” document before completing this form.*****

Camper Information

Name _____
Address _____

Phone number(s) _____
E-mail address(es) _____

Parent Information

Parent/Guardian name(s) _____
Phone number(s) _____
E-mail address(es) _____

School Information

School presently attending & city _____
Grade level entering in fall 2026: 7 8

Check all applicable items:

- I attended this camp last year.
 I applied to this camp last year but did not get in.
 I need financial aid and can provide evidence of free or reduced-price school lunch status if selected to attend. Note: Campers of any financial status might consult their schools for available scholarship funds for this program or local businesses for possible sponsorship.
 I am only interested in attending if _____ (camper name) is also selected to attend. (This reduces your own chance of getting into the camp.)

***Registration fee:* \$600 (please do not send at this time)**

***Application deadline:* Form must be received by Friday, April 17, 2026.**

Return form by mail, email, or fax or to:
