Summer 2026

Dear Room 1010 Family,

Welcome to Room 1010! My name is Caitlin LaVine (Ms. Caitlin) and I have the pleasure of working with your child for the 2026 - 2027 school year. This will be my twentieth year working at Sands. I am a product of Cincinnati Public Schools having attended North Avondale Montessori and Clark Montessori. This program is near and dear to my heart. I hope your child learns to love the Montessori curriculum as much as I do!

I am the proud mama of Henry (a seventh grader at Spencer) and Benjamin (a second grader at Sands). My hobbies include: spending time with my family, houseplants, reading (historical fiction is my favorite), and playing trivia with friends.

This year, Ms. Trisha will be back as the paraprofessional in room 1010! This will be our fourth year working together. Ms. Trisha is a Cincinnati native, mom of 3 boys, avid music/festival fan, and such a kind and caring partner in the classroom.

Your child is about to embark on an exciting journey filled with growth, adventure, challenge and change. I am looking forward to a productive and positive year with your child.

Left: my boys and I spend at least one week every summer at Camp Ernst
Above: I'm a crazy house plant lady!
Below: Ms. Trisha and I

I am looking forward to a great year working with your family.
Please feel free to contact me with questions or concerns.
