August 1st, 2026

Dear Sands Montessori Families,

Welcome to Community 1008! My name is Abbie Fox, and I will be your child's teacher during the 2026-2027 school year. This will be the start of eleven years at Sands Montessori! I am so thrilled that you are a part of the Sands community and feel privileged to be able to work with you and your child.

I graduated from Xavier University with a Bachelor of Science in Montessori Education and a minor in Peace and Justice Studies. Not only do I have my American Montessori credentials for 3-6 year olds, but also have credentials to teach kindergarten through third grade in a traditional setting. I am trained in the Orton-Gillingham method, which addresses five essential components of reading: phonemic awareness, phonics, vocabulary, fluency, and comprehension. I graduated from Miami University with my Master's Degree in Educational Psychology.

I spent a lot of my childhood in Cleveland, and while some of the people closest to me still live there, I also have family spread across different places. I value staying closely connected with them and especially enjoy visiting my beautiful niece, Zoe. Outside of education, I love exercising, trying new restaurants around the city, gardening, and spending time outdoors with my dog, Oakley.

I hope you had a fantastic summer making special memories with your family and I cannot wait to collaborate with you to best support your child's journey here at Sands Montessori.

Sincerely,
Miss Abbie
