International Community School News

Hello ICS Families!

I can't believe the end of the year is just 2.5 days away. This week and the next few days are action packed. On Thursday, we had our last assembly of the year. The seniors had their ritual final walk down the hallways surrounded by their classmates, grade 11 students showed their senior parody video, and a few teachers gave remarks to the class of 2026. The event ended with the seniors walking between a line of teachers. Their goodbyes were heartfelt and many tears were shed. On Monday we finish our final exams and end the day with our all-school carnival. Tuesday is graduation and Wednesday we end at 11:00am. There is so much in such a small window. I am grateful for the traditions that ICS has. They are meaningful and purposeful.

I hope your family has a wonderful summer break. I am sending my senior son off to college and am planning a 2-week trip with my younger son to five national parks in northern California. I am looking forward to disconnecting from work and reconnecting with family and friends. I hope the same goes for you.

I am honored to be the principal at ICS!

Jacob
