Black Rock 8th Grade Supply List for 2026-2027

The list below represents the recommended supply list for starting the school year. Because not all students take the same courses, individual teachers may need additional supplies.

All students will be issued a Macbook and charger and should bring both to school each day. Macbooks should be FULLY CHARGED. Students will have access to a cubby to store their coats and other items, but students will be carrying <u>all</u> supplies in their backpack throughout the day. Students will not need to carry textbooks as classroom sets are provided.
