5th Grade Supply List 2026-2027

The list below represents the recommended supply list for starting the school year. Because not all students take the same courses, individual teachers may request additional supplies throughout the school year.

All students will be issued a Chromebook and charger and should bring both to school each day. Chromebooks should be FULLY CHARGED. Students will have access to a cubby to store their coats and other items. Students will also have the option to carry a backpack throughout the day. Some supplies will be stored in the classrooms. Students will not need to carry textbooks as classroom sets are provided.

Please Note:

*A homework folder with pockets for each class period will be provided for the students.

*We will also be providing students with calendars to keep track of homework and long-term assignments.

General 5th Grade Supplies:

- Headphones (wired) with standard ⅛ inch (3.5mm) jack (Bluetooth not allowed)
- One 1 ½" three-ring binder with a clear front pocket. Heavy duty, durable brand such as "Staples Better" brand. **No zippers, please!**
