PAY BUS RIDER REQUEST

May 6, 2026

Dear Parents/Guardians:

In the process of developing bus routes for the 2026-2027 school year, it was noted that you reside within 1.5 miles walking distance per our routing software of the high school your student will be attending. Students who reside **1.5 miles or more walking distance** receive free bus service and do not need to take any additional steps. Bus transportation for students who reside within 1.5 miles is available at a cost of \$250.00 per year. In order to assure seating and develop the most efficient bus routes and schedules, the Transportation Department needs to know the residence location of each student to be transported well before the start of school. Therefore, reservations for pay bus rider seating must be received no later than July 1, 2026. After that date, a \$35.00 late fee will be added per student. Pay rider fees are not refundable once paid. The only exception is if the student moves out of district. Pay rider fees are not waived or reduced. This includes those eligible for free or reduced meals.

If reservations are desired, please go to the My School Bucks link below, or you can scan the QR code which will take you directly to the site.

You must pay by credit card \$250 per rider through July 1, after that date a late fee of \$35 per rider will be assessed. Payment must be in full before a route will be assigned. Reservations received after July 1, will be accommodated as bus availability allows.

If you registered during summer, your students route information will be available the first week of August in Infinite Campus, under Transportation. All assigned bus routes will be shown in the student's portal under Transportation approximately 3 days after payment is made and once school is in session. Students are encouraged to utilize the "My Ride K-12" app by Tyler Tech. See D211 Transportation page for more info. <https://adc.d211.org/domain/18>

If you have any questions, please contact Transportation at Transportation@d211.org or by calling 847-755-6796.
