By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

## Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

### About Our School

---

Having rich traditions dating back to 1924, Maple School is the oldest schoolhouse in the Fullerton School District, located in the southeast corner of the city of Fullerton in the County of Orange. The enrollment for the 2025-2026 school year is 353. Maple School serves students in Grades TK-6, and is one of 21 schools in the Fullerton School District. Eighty-nine percent (89%) of our students are Hispanic/Latino, 4% are White, 2% are Black/African-American, 2% are Asian, and 3% are Two or More Races. Eighty-six percent (86%) of Maple students qualify for Free-or-Reduced Lunch. The education program at Maple includes 11 regular classroom teachers, a Music Teacher, a Resource Specialist, a Speech and Language teacher, 2 RTI Intervention Teachers, and a Physical Education Teacher. We also staff a part-time School Psychologist, part-time Counselor, and Mental Health Associate. All certificated staff are NCLB qualified, the majority have master's degrees or higher, with supplemental credentials in mathematics, reading, and/or educational technology. State Preschool is also offered at Maple.

In the 1960's, Maple School closed for more than 2 decades as a result of mandatory integration and students were bused to neighboring schools away from their neighbors and friends. After long debates and intense community pressure, Maple School was modernized and reopened in stages, beginning in 2000, to once again represent the hardworking and proud community surrounding the school. This very special community, which fosters intergenerational and community partnerships, was named a Title 1 Academic Achieving School in 2011.

## School Description and Mission Statement (School Year 2025–26)

As an environmental science and experiential learning school, Maple prioritizes hands-on, inquiry-based activities through project-based learning. Maple Elementary prepares students to meet the rigor of the Common Core and Next Generation Science State Standards (NGSS) by actively engaging our students through project-based learning and access to their iPads through our VIP Plus Program. Currently, all students at Maple have their own iPad issued to them at the beginning of the school year, and all students at Maple receive personalized instruction, designed to meet their specific needs, in all areas through our Balanced Literacy Program, Cognitively Guided Instruction (CGI), and our implementation of the Next Generation Science Standards.

In addition to the complex intervention scaffolds we personalize for student success, Maple School hosts the only chapter of the National Elementary Honor Society in the Fullerton School District. #theMapleExperience

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2025–26)

The Fullerton School District wants every student to have the books and learning materials they need to be successful. Each year, our Governing Board reviews the availability of textbooks and instructional materials to make sure all students have access to high-quality, standards-aligned resources.

On September 16, 2025, the Board held a public meeting to check that every student, including English learners, has their own textbook or digital learning materials for use in class and at home. The Board also ensured that materials align with California’s academic standards.

After reviewing all information, the Board approved a resolution confirming that the Fullerton School District has provided sufficient, standards-aligned instructional materials for all students for the 2025–2026 school year. Our goal is to make sure every student has the tools they need to learn, grow, and succeed.

## School Facility Conditions and Planned Improvements

The District takes great efforts to ensure that all schools are clean, safe, and functional. Listed below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Maple Elementary School has 31 classrooms, a library media center, and a multi-purpose room. The main campus was built in 1936. Additions were constructed in 1953, 1954, 1965, and two story classroom buildings, media center and multipurpose room were added in 2001. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The District has established cleaning standards for all schools in the district. A summary of these standards is available at the district maintenance office. The Maintenance and Operations staff works with the custodial staff to develop cleaning schedules to ensure a clean and safe school. The District participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior and exterior painting, and floor systems. During 2024-25, the District spent \$0 on Deferred Maintenance. For the 2025-26 school year, the District budgeted \$0 for Deferred Maintenance expenditures.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students taking and completing state-administered assessments Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard**

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

#### Opportunities for Parental Involvement (School Year 2025–26)

Maple School engages Title 1 parents in meaningful interactions with the school in order to support a partnership among staff, parents, and the community to improve student academic achievement. To help reach these goals, the school does the following:

- Maple communicates with parents and the community through its website and weekly parent newsletters. All teachers, administrators, and office staff at Maple communicate openly and often with parents through Class Dojo.
- Quarterly English Language Advisory Committee (ELAC) parent meetings are held to keep parents informed and discuss ways in which parents can help students improve English language development and academic achievement.
- Back to School Night is held annually in August to inform parents about the year's academic program and student expectations.
- Parent Conferences are scheduled two times per school year in the Fall and in the Spring.
- Each trimester, Maple recognizes students and parents for academic achievement, outstanding attendance, and character development.
- Service Learning Projects are required for students in National Elementary Honor Society, Mustang Leading Ladies, and Student Council.
- Maple celebrates our community's culture with three schoolwide community events each year: Dia de los Muertos Cultural Celebration, Lunar New Year in January/February, and Cinco de Mayo Cultural celebration on May 5. Teachers are trained on culturally relevant and responsive education and implement culturally-relevant classroom lessons throughout the year. Maple celebrates Black History Month, Asian-Pacific American Heritage month, and Hispanic Heritage Month as well.
- Concerts, musicals, plays, and recitals celebrate our students' accomplishments in the performing arts! Families and community members are always invited to attend these celebrations!
- Intergenerational Community Partnerships flourish at Maple through the Phelps Foundation, YMCA, Boys and Girls Club, PTA, Soroptimists, Fullerton Rotary, Fullerton Police and Fire Department, Fullerton Parks and Recreation, OC Grip, Orange County District Attorney's Office, Kaiser Permanente, Giving Children Hope, St. Jude Hospital, OC United, Orange County Department of Education, LOVE Fullerton, Fullerton College, and Cal State University Fullerton.

## School Safety Plan (School Year 2025–26)

A comprehensive school safety plan was developed and approved prior in compliance with Education Code Sections 33126, 35256, and 32286 as well as applicable District policies and regulations. Each year, prior to March 1, the school's safety plan is reviewed, updated and discussed with staff and School Site Council. Annually, the school's staff reports on the status of its safety plan with the school leadership team, PTA and School Site Council. Status reports and updates are reviewed at the beginning of each school year and again in December before the finished School Safety Plan is approved by the members of the School Site Council on March 1. The key elements of the plan include: a) providing a safe teaching and learning environment for all students and staff members, b) ensuring that all students are safe and secure while at school sponsored activities, c) making district programs and community resources available to students and parents, and d) creating a school where students, programs, and community members interact in an atmosphere of mutual respect that enhances the environment for learning. Each year the school submits along with the safety plan a detailed "action plan" which addresses the identified areas the staff and School Site Council has brought forward as critical areas of concern or how they should improve. A copy of the plan is available at all times in the school office and will provide a more detailed description of each element of the plan including specific actions, resources and time lines to be implemented by the school. Copies are also available at the District Office in the office of Child Welfare and Attendance.
