Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

About Our School

Orangethorpe Elementary School was established in 1949 and is located on a major street in the southwestern section of the city of Fullerton. It is bordered by a public park to the south with residential homes to the East and businesses to the North. We currently have 489 students enrolled in the school serving grades PreK-6 as a Title I school. Our school community is comprised of: **78.3% Hispanic/Latino, 8.4% White, 6.1% Asian, 1.4% African American, 0.2% Native Hawaiian/Pacific Islander, 3.5% two or more races and 2% Filipino; 80.4% participating in free and reduced lunch; 34.6% of our students are English Learners; and 33% are Reclassified as Fluent-English Proficient.**

Our school community is comprised of the Orangethorpe Staff, Parents, and Community. Without committed parents and community, our goals could not be met. The Orangethorpe staff is also committed to improving student learning by analyzing data in order to plan for the current and future needs of our students. Looking at demographics, perceptions, school processes, and student learning will enable us to make continuous school improvement.

School Description and Mission Statement (School Year 2025–26)

Vision: At Orangethorpe Elementary, we envision a creative and inclusive community where every student grows into a kind, confident, and compassionate individual. Through strong partnerships, supportive environments, and engaging learning experiences, students discover their strengths, pursue their passions, and develop the skills to make a meaningful impact in the world.

Mission: At Orangethorpe Elementary, home of the ORCAs, we are a creative and inclusive community where every student feels safe, supported, and valued. Through strong family partnerships, co-taught classrooms, and hands-on learning experiences like Project Curiosity, we nurture curiosity, celebrate diversity, and empower students to think critically and creatively. Together, we help students grow academically and personally—developing into kind, responsible, and compassionate individuals ready to make a difference.

Motto: Our motto of "Following the ORCA Way", drives our committed staff who hold themselves responsible and accountable for all the students in our school. The ORCA Way is our school-wide expectations that are based on **O**wning our actions, being **R**espectful at all times, being **C**ourteous to others, and **A**iming for success.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2025–26)

The Fullerton School District wants every student to have the books and learning materials they need to be successful. Each year, our Governing Board reviews the availability of textbooks and instructional materials to make sure all students have access to high-quality, standards-aligned resources.

On September 16, 2025, the Board held a public meeting to check that every student, including English learners, has their own textbook or digital learning materials for use in class and at home. The Board also ensured that materials align with California’s academic standards.

After reviewing all information, the Board approved a resolution confirming that the Fullerton School District has provided sufficient, standards-aligned instructional materials for all students for the 2025–2026 school year. Our goal is to make sure every student has the tools they need to learn, grow, and succeed.

School Facility Conditions and Planned Improvements

The District takes great efforts to ensure that all schools are clean, safe, and functional. Listed below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Orangethorpe Elementary School has 31 classrooms, a library media center, and a multi-purpose room. The main campus was built in 1951. Additions were constructed in 1954, 1956 and 1964. Eleven portable classrooms were added between 1963 and 2002. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The District has established cleaning standards for all schools in the district. A summary of these standards is available at the district maintenance office. The Maintenance and Operations staff works with the custodial staff to develop cleaning schedules to ensure a clean and safe school. The District participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior and exterior painting, and floor systems. During 2024-25, the District spent \$0 on Deferred Maintenance. For the 2025-26 school year, the District budgeted \$0 for Deferred Maintenance expenditures.

School Facility Good Repair Status

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students taking and completing state-administered assessments Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Mathematics (grades 3-8 and 11)	20%	24%	50%	51%	35%	37%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2025–26)

At Orangethorpe Elementary, the school and community work together. Orangethorpe is fortunate to have many parent volunteers that help in the classroom and participate in school activities. Our parents know they are welcomed and are an addition to our teaching team and as a community school, this partnership is important for the growth of the school and students. The Orangethorpe parents are eager to gain knowledge on how to move forward in life and how to assist their children in becoming lifelong learners. Our Coffee with the Principal has been revamped to include parents and their children to learn alongside each other with math and ELA activities that they can work on together at home. Parents are offered learning opportunities as they participate in our school-wide events alongside leadership opportunities such as ELAC, SSC, and PTA. Our school community supports the innovative approach for assisting our students in achieving their academic and social goals through meeting the Common Core State Standards. Without parent and community partnerships our goals could not be achieved. A newly formed parent volunteer group, spearheaded by Dora Marquez, our social services assistant, have been instrumental in preparing materials for classroom use and also decorations for upcoming events such as our winter show. This group has added an extra layer for parent involvement and has created excitement amongst the parents.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school graduation rates;

School Safety Plan (School Year 2025–26)

A comprehensive school safety plan was developed and approved prior to March 1, 2025, in compliance with Education Code Sections 33126, 35256, and 32286 as well as applicable District policies and regulations. Each year, prior to March 1, the school's safety plan is reviewed, updated and discussed with staff and School Site Council. Annually, the school's staff reports on the status of its safety plan with the school leadership team, PTA and School Site Council. Status reports and updates are reviewed at the beginning of each school year and again in December before the finished School Safety Plan is approved by the members of the School Site Council on January 7, 2025. The key elements of the plan include: a) providing a safe teaching and learning environment for all students and staff members, b) ensuring that all students are safe and secure while at school-sponsored activities, c) making district programs and community resources available to students and parents, and d) creating a school where students, programs, and community members interact in an atmosphere of mutual respect that enhances the environment for learning. Each year the school submits along with the safety plan a detailed "action plan" which addresses the identified areas the staff and School Site Council has brought forward as critical areas of concern or how they should improve. A copy of the plan is available at all times in the school office and will provide a more detailed description of each element of the plan including specific actions, resources, and timelines to be implemented by the school. Copies are also available at the District Office in the office of Child Welfare and Attendance.

Updated and presented to staff: 01/13/26
