THS TITLE I ACADEMIC INTERVENTION TUTOR

Qualifications:
- NJ Instructional Certificate
- Demonstrated ability to build strong teacher-student relationships to maximize student engagement

Primary Function:
The THS Title I Academic Intervention Tutor will provide identified students with short-term, individualized, data-driven academic support and instruction focused on specific fundamental skills/knowledge gaps. Tutors will work in a one-on-one setting, or with a small group of students with similar academic needs. Tutors will monitor progress and adjust strategies as needed in order to maximize student growth.

Direct Report:

Specific Duties and Responsibilities:
- Provide small group or one-on-one individualized academic support and instruction for participating students
- Collaborate with relevant THS staff to create and implement individualized data-driven intervention plans
- Communicate with relevant THS staff (classroom teachers, school counselors, administration, support staff, I&RS Committee members, etc.)
- Communicate with parents/guardians as needed
- Maintain record of student attendance and primary task(s)
- Monitor, assess and report student progress
