

AP 2D DIGITAL SUMMER ASSIGNMENT 2026

Ms. Marcino

Room 206

- **Create a Drive Folder:** Title it "AP Studio 2D [Your Name]".
- **Share the Folder:** Send the folder to mmarcino@bergenfield.org.
- **Preliminary Photos:** If you haven't already, add 20 preliminary photos to this folder.
- **Equipment:** If you do not own a camera, ensure you purchase one before September and/or make sure you have a device that you can use outside of class to photograph with.

The Project

You need to research 10 specific photographers and take one photo inspired by each of their styles. The photographers are:

1. **Ansel Adams:** Known for landscape photography and high-contrast darkroom techniques.
2. **Yousuf Karsh:** Known for storytelling portraits that reveal the subject's "secret".
3. **Robert Capa:** A war photographer known for getting close to the action.
4. **Henri Cartier-Bresson:** Influential pioneer of 35mm, black-and-white street photography.
5. **Dorothea Lange:** Known for her historical documentary work during the Great Depression.
6. **Jerry Uelsman:** Known for creating unique composite images in the darkroom.
7. **Annie Liebovitz:** Famous for intimate, descriptive portraits for publications like *Vanity Fair* and *Rolling Stone*.
8. **Brassai:** Known for capturing the beauty in ordinary people and daily life.
9. **Brian Duffy:** A fashion photographer from the 60s and 70s.
10. **Jay Maisel:** A modern photographer who focuses on simple lighting, shapes, and light.
