**Mathematics Department
Summer Course Work**

in preparation for

**PROBABILITY
AND STATISTICS**

Completion of this summer work is

MANDATORY for the

2026 -2027 school year.

Student Name:_____

Bergenfield Public Schools
Mathematics Department
80 South Prospect Avenue
Bergenfield, New Jersey
(201) 387-3850

June 2026

Dear Parents and Guardians:

Attached are the summer curriculum review materials for Probability and Statistics. This booklet was prepared by the Bergenfield High School Math department and contains topics that reflect content learned in prerequisite courses.

This is NOT optional work that your child must complete over the summer to be better prepared for class in September.

Thank you for your cooperation.

Sincerely,

Robert Ragasa
Steven Neff
Principal

Supervisor of Mathematics
