

AP Art History
Summer Assignment 2026
Mr. Dela Pena
kdelapena@bergenfield.org

Welcome to AP Art History! Next year promises to be a challenging, but rewarding process that will have us examining art from the prehistoric era all the way to contemporary (modern) works. We will examine various works of art from all over the globe and connect them to their historical roots to extract their meaning and better appreciate their forms of expression.

Summer Assignments:
Due Date: First Day of Classes

1. Join Google Classroom: Classroom Code: **n5m7satw**
2. Read the "Snapshot Glossary" and "Analysis Process" PDFs on Google Classroom
3. Define the terms listed on the Google Classroom online, on paper, or in a quizlet.
4. Complete the Prehistoric snapshot assignment posted on Google Classroom.
5. Complete the time periods assignment posted on Google Classroom.
6. Materials for the First Day of Class: Pens/Pencils, Composition Notebook, Scissors, Glue Sticks, Highlighters, and Folder.
7. Review the works of art we will be examining throughout the year. The link to the AP Art History course description will be posted on our Google Classroom. In the course description are the works of art featured in the AP exam. Familiarize yourself as best you can with them by noting their Title, Artist (if known), Date, Culture, Period, Materials, Location (if noted). This is good practice for what we will be doing during the year.

If you have any questions please feel free to contact me at kdelapena@bergenfield.org, I will get back to you ASAP.
