Instructions for 6th Grade 2026-2027 Schedule Card

REQUIRED ACADEMIC CLASSES: Every student will be assigned four academic classes. The classes are Language Arts 6, Math 6, Science 6, and World Geography.

Acc. Math 6 (Math 7) class placement will be determined by a self-selection process based upon recommended criteria. Information about the criteria, process and enrollment can be found by scanning the QR code. I-Ready scores will be available February 9th to assist with making your selection.

REQUIRED MUSIC ELECTIVE CLASS: A full year of music is required for all 6th grade students.

The student will select a music class – either Band 6, Choir 6, or Orchestra 6.
The music classes are a full-year commitment. Once the school year begins, changes cannot be made. *No previous experience is needed; students will be acquainted with the different instruments during the first weeks of class. The teacher will provide information to parents regarding the different options for obtaining an instrument.* ***Band 6/Orchestra 6 are prerequisites for future Band/Orchestra classes****.*

ELECTIVE CLASSES: Two semester elective classes will complete a student's schedule. Please rank the five elective classes in order of preference. First choice - #1, Second choice - #2, etc., through #5. Please note that students are not guaranteed their first two choices and may be placed in their alternate choices (3-5) based upon availability.
