7. A. Public Hearing on the 2026-2027 Budget

Rationale

Pursuant to Education Code 42103 and 52062, school districts are required to hold a public hearing on the proposed budget prior to its adoption. The proposed budget was made available to the public to review prior to the public hearing.

Furthermore, per Ed Code 42127 (a), districts must disclose the amount and reasons for maintaining reserves over three percent. The information must be presented at the Adopted Budget public hearing to allow for public review and comment.

In accordance with California Education Code requirements, the school district's proposed budget must be made available for public inspection and published in a local newspaper for at least 10 days prior to the public hearing and adoption. This process ensures transparency and provides community members with an opportunity to review and comment on the district's financial plans.

The public hearing will be held as part of the June 18, 2026, Special Meeting/Study Session of the Board of Education.
