

HELEN MARIE SMITH

Elementary School

The Clark County School District provides necessary supplies for all students in order to meet their educational needs. However, we know that sometimes parents choose to buy school supplies for their child. Should you decide to do this, the following are items which would be appropriate for your child's grade level.

In addition to these lists, your child's teacher may request other items particular to the needs of their class.

Please check with your child's teacher periodically to see if any items need to be replenished.
