

How to View Your Student’s Report Card in Skyward Family Access

Step 1: Log in to Skyward Family Access on either the Skyward App or by navigating to <https://www.derbyschools.com/parents>, and then clicking on the “Skyward (Family Access)” link as seen below:

Step 2: When logged in to your family account, click on the “Portfolio” tile that exists under each individual student or under the “View All Students” section:

Step 3: You can choose to Download or View the report card. If you download it, you can print it. If you wish to view it only, click on the eye icon.
