

CISD Regular Meeting
President's Report
June 15, 2026

Good evening,

As we gather tonight for our final board meeting before Independence Day, we do so at a truly historic moment in our nation's story. In just a few short weeks, America will celebrate her 250th birthday, a milestone that reminds us not only of where we've been, but of who we are and what we stand for.

Here in Carroll ISD, we are proud of our country. We are proud of the principles that founded it; freedom, opportunity, personal responsibility, and the enduring belief that each generation has a duty to preserve and strengthen this great nation.

That pride is not just something we say it is something we teach, something we model, and something we celebrate. Over the past year, our district has embraced that responsibility through our USA 250 initiative. Across our campuses, in our classrooms, at our events, and throughout our community, we have intentionally focused on honoring the history, values, and sacrifices that have shaped the United States of America.

We have seen students engage in meaningful learning about our nation's founding. We have seen campuses display patriotism with purpose. We have seen our community come together united, not by politics, but by a shared respect for the freedoms we are blessed to enjoy. And perhaps most importantly, our district is raising a generation that understands that freedom is not guaranteed it is preserved through knowledge, character, commitment, and sacrifice.

That is the work of Carroll ISD.

As we approach our nation's birthday on July 4th, we encourage every family in our district to take time to reflect on the significance of this moment.

Fly the flag. Attend a celebration. Talk with your children about what it means to be an American. And remember those who have served and sacrificed to protect the liberties we often take for granted, because the story of America is not finished, it is being written every day. And in Carroll ISD, we are preparing our students to write the next great chapter.

To our teachers, staff, and administrators, thank you for the role you play in shaping not just educated students, but informed and responsible citizens.

To our parents and community, thank you for your strong partnership and your committed support.

And to our students, you are the future of this country. We believe in you, and we are proud of you.

May God continue to bless our district, our community, our state and the United States of America.

Now, this board and superintendent have the distinct privilege of recognizing a historic district accomplishment that reflects the heart, discipline, and character of Carroll ISD.

This year, the Carroll Dragons have once again achieved the highest level of success, earning the 2026 UIL Lone Star Cup Championship, marking the tenth time in our district's history to receive this prestigious honor and the only 6A district in the state to achieve as many.

The Lone Star Cup represents excellence across all areas, athletics, academics, and fine arts. It is a reflection of a community committed not only to achievement, but to developing well-rounded students who pursue excellence in everything they do.

In addition, Carroll Athletics has been named the inaugural 2026 Texas Cup Champion by the Texas High School Athletic Directors Association, recognizing the top overall athletic program in the state of Texas.

These honors are significant, but what makes them truly meaningful is how they were earned.

They represent early mornings, late nights, and a commitment to doing things the right way. They reflect coaches and teachers who lead with integrity, and families who instill values that carry far beyond competition.

As a district, we are grateful for these blessings and are mindful of the responsibility that comes with them.

Scripture reminds us in Luke 12:48, *"To whom much is given, much will be required."*

These achievements are not just a measure of success, they are a call to continue leading with humility, serving others, and striving for excellence in all we do. We do not just aim to inspire excellence, at Carroll ISD, we expect it.

We are proud of our students for the way they represent Carroll ISD, with character, sportsmanship, determination, and commitment.

We are thankful for the educators, coaches, and staff who invest in them daily.

And we are grateful for a community that supports, sustains, and expects this standard of excellence.

This is what makes Carroll ISD special.

Not just the championships and honors, but the people, the values, and the purpose that drives them.

Congratulations on a truly historic and extraordinary year Protecting the Tradition.
