

Harbor Country Day School

Summer 2026

Dear Kindergarten Families,

Welcome to Kindergarten at Harbor Country Day School! Kindergarten is a special time in everyone's lives. It is an amazing opportunity to make friendships, explore many hands-on concepts, develop skills, and spark your child's love for learning. Our class will become emergent readers and writers as we learn the basic foundations of reading and writing. In kindergarten, there will be routines, times to explore, and many read-alouds. We will build on important math concepts such as sorting, counting, graphing, classifying, measuring, and addition and subtraction. In social studies, we will discover the unique qualities of ourselves, our families, our communities, and the people who have changed the world we live in.

Parent-teacher communication is an important aspect of the learning process. Throughout the year, we will communicate in a number of ways, including Homeroom App, newsletters, emails, and conferences. We would love for you to be involved with your child's learning. Our class parties, "Book Tastings", and mystery reader events will give parents the chance to come into our classroom throughout the year.

In the lower school, students are required to wear a Harbor uniform daily. Please visit the [Harbor Backpack](#) on our website for more information on uniforms. Feel free to reach out to us if you have any additional questions.

We are looking forward to seeing your child at the New Student Orientation on September 8 and the Kindergarten and First Grade play date the week of August 31. Attached is a list of all of the requested supplies for Kindergarten. If you'd like, you can bring the supplies on orientation day or slowly throughout the first week of school so your child doesn't transport everything on the first day of school.

Enjoy your summer, and we look forward to seeing you soon!

Welcome to
Kindergarten

Harbor Country Day School

Embracing the extraordinary in every child.™
