

June 2026

Dear Bergenfield Elementary School Families:

As you head off for summer break, get ready to have some math fun! Just as teachers encourage students to continue reading throughout the summer to retain reading skills, this same attention should be given to mathematics. Regular practice over the summer with problem solving, computation, and math facts will maintain and strengthen math gains made over the school year. Attached you will find an optional summer math activity to help your child be prepared for school in September. All completed activities must be signed by you and returned to your child's teacher by Friday, September 11, 2026.

If you have any questions or concerns, please reach out to the building principal. In addition, below is a list of helpful websites to use with your child at home to prepare them for the coming school year:

www.education.com

<http://www.playkidsgames.com/games/>

<http://www.funbrain.com/>

<http://coolmath4kids.com/>

<http://bedtimemath.org/>

www.pbs.org/parents/earlymath

www.mathplayground.com

<http://www.math-play.com/>

<http://math-drills.com/>

Best wishes for a safe, healthy, and happy summer!

junio 2026

Estimadas familias de la escuela primaria Bergenfield:

¡Cuando te vayas para las vacaciones de verano, prepárate para divertirte con las matemáticas! Así como los maestros alientan a los estudiantes a continuar leyendo durante el verano para retener las habilidades de lectura, se debe prestar la misma atención a las matemáticas. La práctica regular durante el verano con la resolución de problemas, cálculos y operaciones matemáticas mantendrá y fortalecerá las ganancias de matemáticas durante el año escolar. Adjunto encontrará una actividad opcional de matemáticas de verano para ayudar a su hijo a estar preparado para la escuela en septiembre.

Todas las actividades completadas deben ser firmadas por usted y devueltas a la maestra de su hijo a más tardar el viernes 11 de septiembre de 2026.

Si tiene alguna pregunta o inquietud, comuníquese con el director del edificio. Además, a continuación hay una lista de sitios web útiles para usar con su hijo en el hogar para prepararlos para el próximo año escolar:

Mis mejores deseos para un verano seguro, saludable y feliz!

Name: _____

Entering Grade 1 Math Summer Assignment

- 1 Count the dots. Circle the number that tells how many.

4 6 8

5 6 7

10 11 12

-
- 2 Circle the difference.

$$3 - 3 = \square$$

0 1 2 3 4 5

-
- 3 Circle the measurable attributes.

4 Complete Part A and Part B.

Part A Use the ten frames to show nineteen.

Part B Complete the addition sentence to match the ten frames.

19 = ones and ones

2 3 9 10 12 13

5 Complete Part A and Part B.

Count the fruit.

Part A Match to show the number of each fruit.

4

5

7

9

Part B Complete the sentence.

The number of apples is the number of bananas.

greater than equal to less than

6 Circle the sum.

$$3 + 2 = \square$$

0 1 2 3 4 5

7 Complete Part A and Part B.

Part A Circle **all** the animals with 4 legs.

Part B Circle **all** the animals with **less than** 4 legs.

8 Sort the shapes.

Two-dimensioanal

Three-dimensioanal

9 Circle the group that is **less** in number than the other group.

10 Complete Part A and Part B.

Part A Draw more counters to make 10.

Part B Use the ten frame to complete the addition sentence.

$$\square + \square = 10$$

3 5 7 8 9

11 Count the animals.

Match to show the number of each animal.

0 1 2 3 4

12 Complete the number bond.

13 Use the materials to build the figure in the picture. Circle the solids you use.

14 Circle the group of missing numbers.

41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76				80

7, 8, 9

77, 78, 79

81, 82, 83
