

# Robotics & LEGO Stop Motion Combo Camp

LAST DAY  
TO  
REGISTER:  
7/7

July 20 - July 24<sup>th</sup> | 9am - 5pm | Grades 1-5  
(26-27 GRADE LEVEL)

Location: HUES FEE: \$470

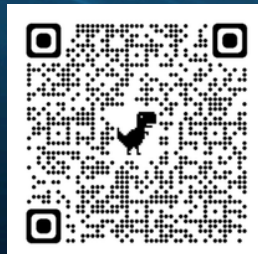

**BUILD  
CODE  
ANIMATE!**

Get ready for a summer full of creativity, innovation, and hands-on fun! Campers will explore the exciting world of robotics while also bringing their imaginations to life through LEGO® stop-motion filmmaking.

- Design and build task-oriented robots using motors, sensors, and sound activation
- Learn problem-solving and engineering skills through fun robot design challenges
- Create original stop-motion movies using LEGOs® and action figures
- Work in pairs or teams to collaborate, build, and create throughout the program
- Student-created films will be shared on a password-protected website for family and friends to enjoy

**Important Information:**

- Students must bring LEGOs® and/or action figures from home
- Each child must bring a bagged lunch daily
- No transportation will be provided
- Students must be picked up by an adult 18 years or older at dismissal time

**How to Register: Click on QR code or go to [www.ebnet.org/cregister](http://www.ebnet.org/cregister). Once you are logged in, choose "Register Here!" and select "Summer 2026 Enrichment".**
